

The evil stronghold of “ATHALIAH”

2 Kings 11:1: *“When Athaliah, the mother of Ahaziah, saw that her son was dead, she arose and **destroyed all the royal heirs.**”*

**THIS STRONGHOLD OF DARKNESS IS COMMISSIONED BY THE ENEMY
TO KILL THE SPIRITUAL SEED OF JESUS CHRIST,
NAMELY THE CALLING OF BELIEVERS IN JESUS CHRIST FROM GOD THE
FATHER OVER THEIR LIVES,
THEREBY PREVENTING THESE BELIEVERS TO STAND UP IN THEIR
CREATIVE PURPOSE
KEEPING THEM IN PHYSICAL, PSYCHOLOGICAL AND SPIRITUAL
BONDAGE TO THE ENEMY
AND AS A RESULT THEREOF –
POWERLESS FOR GOD AND HIS KINGDOM!!**

Jezebel was a dominant force in Israel. If Jehu had not ordered her thrown from the wall, Jezebel would have had the kingdom to herself. However, Jehu bravely carried out the task the Lord had given him – to do away with the house of Ahab (2 Kings 9:7). In this hour, God is issuing **a call to His Bride to respond as Jehu** and to finally dismantle and dethrone the strongholds of Jezebel (and Athaliah) in the lives of believers in Jesus Christ.

We acknowledge, confirm and declare that this teaching and renunciation prayer is written and executed in **the anointing of Jehu** (2 Chronicles 22:7) since our Lord Jesus Christ has mandated us to bring this revelation to the Body of Christ so that His end-time warriors may be set free and may rise into the fullness of their calling in Him.

1. INTRODUCTION: THE SOURCE OF THIS TEACHING

The source of this teaching is solely our Lord and Saviour Jesus Christ through the powerful working of the Holy Spirit, as conveyed to us in the ministry room whilst ministering inner healing and deliverance to believers in Jesus Christ.

After each new revelation came through and was received from the Holy Spirit, we simply tested it by practising what we have learned and, with great success! Thank you Jesus!

1.1 End-time revelation

In Daniel 12:4 the following is said in the context of a prophecy about the End Time: *"But you, Daniel, shut up the words, and seal the book until the time of the end; many shall run to and fro, and knowledge shall increase."* Here it is revealed to Daniel that in the End Time (which is the time that we now live in) knowledge will increase. In other words, that it will be a time of new revelation for the Body of Christ. Not everybody will take and accept it though since in verse 10, the following is said: *"Many shall be purified, made white, and refined, but the wicked shall do wickedly; and none of the wicked shall understand, but the wise shall understand."*

In John 16:12 – 14 we read the words of Jesus Himself to His disciples: *"I still have many things to say to you, but you cannot bear them now. However, when He, the Spirit of Truth, has come, He will guide you into all truth; for He will not speak on His own authority, but whatever He hears He will speak; and He will tell you things to come. He will glorify Me, for He will take of what is Mine and declare it to you."*

It is therefore clear from the above Scripture that, towards the end of time, spiritual knowledge will increase but that only "the wise" will understand it and will take it to heart, resulting in them being washed and purified in preparation for the second coming of our Lord Jesus Christ.

Jesus however also says numerous times in His Word that there will be widespread deception towards the end of time and that many false prophets and wolves in sheep's clothing will arise and deceive many. It will be so bad that even "the very elect" will be deceive..... The problem therefore remains: *"How do we discern between revelation that is from Jesus through His Holy Spirit and new information that is deception from the enemy?"*

1.2 The Bible – Our compass (or spiritual plumb line)

The Bible (as the written Word of God) was given to us by God as a spiritual compass or guideline. We should use the Word in order to test and measure all new revelation to see whether it is from the throne of God or from the enemy.

Anything that is clearly against the whole message of salvation, as set out in the Bible in its totality, can simply not be accepted but should be rejected as deception from the enemy.

1.3 Contra-Biblical versus Extra-Biblical revelation

As Eben Swart of *Trumpet Call Ministries* (www.trumpetcall.co.za) rightly explains in his teachings and DVD's, the Body of Christ needs to understand the difference between "contra-Biblical" and "extra-Biblical" revelation.

Contra-Biblical revelation is so-called revelation that is *contra* or against or opposing to that which is revealed to us in the Bible. A good example of contra-Biblical revelation would be if someone should preach that Jesus was not truly the son of God but a mere human being with supernatural abilities or a prophet. Clearly, if such information should be preached or declared, it would not stand the test of our spiritual "plumb line" and that is the Bible. Clearly, we should reject that as error and an attempt from the enemy to deceive us into believing a different gospel than that of the Bible.

However, extra-Biblical revelation is new spiritual knowledge that is not against the true gospel, as set out in the Bible, but merely new and further revelation to the Bride of Christ (as promised by Jesus in John 16:12 – 14) in order to guide her in the end time especially with a view to prepare her for Jesus' second coming. Therefore, revelation that is released by the Holy Spirit into the Bride of Christ, whereby the enemy's tactics and strategies of keeping the Bride in bondage is exposed would not be contra-Biblical but merely extra-Biblical and may therefore be accepted by the Bride so that she may be set free from captivity and be washed clean by the blood of Jesus!

Examples of extra-Biblical revelation would be, for example, "demonic soul copies" (DSC's) and "DID" (dissociative identity disorder). When the existence of DID was first revealed into the Body of Christ, many also criticised that and may have argued that such a thing does not exist simply because the words "dissociative identity disorder" cannot be found in the Bible. Today we know that DID is a real phenomenon of the soul dimension that keeps beautiful children of God in bondage.

On a more comical note, if we should reject all information that is extra-Biblical, we simply should not eat pine apples or use computers (or go to a Sunday School picnic), since there is not a word about such things in the Bible!!

1.4 Be sober and vigilant¹

However, we do want to ask you to be as the Berean's in Paul's time who listened to what Paul said and then searched the Scriptures and the Prophets and tested against the Word if what Paul said could be true². The Word of God, as revealed to us through the Bible, is our only protection against deception so we should continuously study the Word and pray to God for protection against deception.

¹ 1 Peter 5:8

² Acts 17:11

1.5 End-time extra-Biblical revelation for the Bride of Christ

We honestly and sincerely believe that what is contained in this teaching is extra-Biblical end-time revelation for the Bride of Christ so that she may be purified, made white and refined (Dan. 12:10) in preparation for the coming of her groom – Jesus Christ!

Jesus wants to come back for a Bride that is ready, clean and white, set apart for Him in her holiness and righteousness!

1.6 We only know in part

Paul acknowledges and declares in 1 Corinthians 13:12 that we only know in part while here on earth: *“For now we see in a mirror, dimly, but then face to face. Now I know in part, but then I shall know just as I also am known.”*

We also realise that we only know in part and that there may be much more to this (and other strongholds) of the enemy that we will ever know whilst we are here on earth (1 Corinthians 13:12). However, every bit of information about the spiritual realm helps and makes us better equipped as Warriors for Jesus Christ, with the mandate and instruction to set the captives free.

We therefore humbly admit that it may be very possible that, in time, a follow-up teaching about Athaliah and the stronghold of Jezebel and Ahab may see the light, containing even more revelation than what is currently contained herein.

Lastly, we admit that the content of this teaching belongs to Jesus Christ and to Him alone and our prayer is that the end-time revelation contained herein will reach each and every sincere believer in Jesus Christ who wants to be set free and who wants to find and excel into their God-given calling on earth.

May the end-time army of Jesus Christ arise and join Him in the end-time battle!!

2. THE PURPOSE OF THIS TEACHING

The purpose of this teaching is to simply share with the Body of Christ what we have learned in the School of the Holy Spirit about the stronghold of Athaliah so that the captives may be set free and that the Body of Christ may become the Warrior Bride that she is destined to be!

3. WHO WAS ATHALIAH? (2 Kings 11 and 2 Chronicles 22)

Athaliah was the daughter of King Ahab and Queen Jezebel (2 Kings 8:18). Queen Jezebel was the daughter of Ethbaäl (meaning “like unto Baal”). Ethbaäl had become king by plotting murder. Thereby Jezebel’s tendency for murder had generational roots. To these people, eliminating someone’s life was merely incidental to achieving an objective.

Jezebel’s children yielded to their mother’s control. Her son, Ahaziah, was guilty of Ahab’s sins (1 Kings 22: 51 – 53). Another son, Joram, was killed by Jehu as punishment for all the things his parents had done to God’s prophets

(2 Kings 9: 24 – 26). Jezebel's daughter, Athaliah, married Jehoram, son of righteous Judean king Jehoshaphat, around 865 BC. She therefore became Queen of Judah and, just like her mother, she looked for a husband who was weak so that she could carry out her evil practices (2 Kings 8: 25 – 27).

King Jehoram put all his brothers and some princes of Israel (who were all worshipping Yahweh) to the sword (2 Chronicles 21:4). One may rightfully infer that Jehoram's slaughter of his brothers was prompted by his wife Athaliah. When Jehoram passed away (after 8 years of reign), Athaliah's son, Ahaziah, who was named after her brother, succeeded him and reigned one (1) year in Judah. He did evil in the sight of the Lord and was killed by Jehu. When Athaliah heard of Ahaziah's death, she brutally murdered the entire royal family of Judah (including her own grandchildren). Her plan fails however, for one escapes. Joash was heroically rescued by Jehosheba, the wife of Jehoiada the priest. Both mother and son, as well as the seventy other sons of Ahab and their families, eventually suffered death at the order of Jehu.

We therefore learn the following about Athaliah from reading both 2 Kings 11 and 2 Chronicles 22:

- She was the granddaughter of Omri, king of Israel (2 Kings 8:26) and the daughter of King Ahab and Queen Jezebel;
- Her son Ahaziah was 22 years old when he married into the royal house of Judah and became king over Judah. He reigned for 1 year in Jerusalem when he was killed by Jehu (2 Kings 8:26);
- Athaliah advised Ahaziah to follow in the wicked ways of the house of Ahab (i.e. Baal worship);
- Athaliah murdered all the potential heirs to the throne after her son's death (including her own grandchildren, except Joash who was hidden from her) (2 Kings 11:1; 2 Chronicles 22:10);
- Athaliah took to the throne in Judah after her son, Ahaziah's, death;
- She reigned for 6 years as queen over Judah;
- She was killed when Joash was crowned king of Judah (2 Chronicles 23:21);
- Athaliah was extremely wicked and destroyed the house of the Lord (2 Chronicles 24:7); and
- Athaliah herself worshipped Baal and introduced sun god (Baal) worship in Judah (Jerusalem).

From the above mentioned Scripture, we learn that Athaliah must have grown up in Israel under the reign of and in the royal household of King Ahab and Queen Jezebel. She therefore must have grown accustomed to sun god (Baal) worship at her mother's feet and must have been dedicated to Baal at a very young age. As such, she must also have grown accustomed to the religious rituals and ways of the Baal priests, the sacrificing of babies to Baal, the temple prostitution, all the atrocities and extreme witchcraft of her parents as well as of the Baal priests.

She was clearly very ambitious and had an obsession to reign in Judah where she had the assignment from Satan to introduce Baal worship.

She was extremely cruel and brutally slayed her own flesh and blood in order to have access to the throne.

NB: She had (knowingly or unknowingly) an assignment from Satan to extinguish the whole royal bloodline from which Jesus, our Messiah, had to be born.

NB: In today's time, Satan uses the demonic soul copy ("DSC")³ of Athaliah in exactly the same way, namely to kill and destroy all the royal seed of Jesus Christ, in other words, the calling of our Lord Jesus Christ over our lives.

4. **ESSENTIAL KNOWLEDGE IN ORDER TO BE ABLE TO UNDERSTAND THIS TEACHING**

In order for believers in Jesus Christ to understand this teaching, it is necessary to have a solid understanding of the following:

- How it is possible for Christians to have demons and be subject to bloodline curses;
- The destructive stronghold of Jezebel and Ahab;
- Enemy Within: Blood line curses; and
- Demonic Soul Copies Levels 1 and 2.

All these teachings are to be found on our web page (www.ignitedinchrist.org) under "publications" and "free publications" and may be downloaded for free. The relevant DVD's may also be ordered from us *via* our web page and our *"Ignited Shop"*.

Believers who do not yet have a solid understanding of the above mentioned, may really find this teaching to be "above" their current knowledge and understanding and therefore they may only become confused, ending up with perhaps more questions than answers.

Therefore, please pause your further reading of this teaching and first revert to the above mentioned documents and/or DVD's.

5. **HOW DID THIS STRONGHOLD GAIN ENTRANCE INTO THE LIVES OF BELIEVERS IN JESUS CHRIST?**

This stronghold has its origin in the sin of mankind. It entered us through the unrepented sin of our ancestors. The entry point of this evil stronghold into the lives of modern-day believers in Jesus Christ is therefore primarily their

³ A demonic soul copy is a complete copy (made by demonic forces) of the complete soul of a person (still alive or already deceased) that is put (by demonic forces) into the soul and body of another person (still alive) with the exclusive role and function to enforce a particular stronghold of the enemy (Satan and his demons) in that living person. NB: A DSC is a soul copy and not a demon (or a spirit). For more detail, see our teachings on demonic soul copies on our web page under "publications" and "free publications".

bloodlines (caused by the unrepented sin of the ancestors) and more specifically the following bloodline curses:

- **Idolatry** and **religion** by the ancestors and more particularly **sun god worship** (whether the ancient worship of Baal or Molech or the modern day version of Freemasonry (International) and/or the Broederbond (South Africa));
- **Rejection, unhealed hurt, trauma and abuse** amongst the ancestors resulting in unforgiveness, bitterness, hatred, rebellion, pride, control and manipulation – bringing forth the bloodline curse of **Jezebel and Ahab**;
- **Witchcraft** (in any form e.g. as part of the sun god worship, Satanism, New Age, Paganism, Wicca, Sorcery, Divination etc.) conducted by the ancestors;
- **Murder, violence, war and bloodshed** by the ancestors; and
- **Sexual immorality** and **lust** (and extreme sexual perversity) practised by the ancestors (usually as part and parcel of sun god worship or witchcraft rituals).

However, we should never forget that by our own sin and lack of repentance we may also, consciously or subconsciously, “agree” with the spirit of Athaliah and thereby invite into our soul dimensions, the various evil elements of the stronghold of Athaliah.

The stronghold of Athaliah therefore often stands on two legs in believers in Jesus Christ, namely unbroken bloodline curses as well as current unrepented sin and a life of ongoing disobedience to God.

It therefore speaks for itself that we will only gain complete and permanent freedom from this stronghold, if the bloodline curses are broken by the blood of Jesus AND if we repent of and completely turn away from the associated sin in our lives and commit to live a life of utter and complete obedience to God and zero compromise with sin.

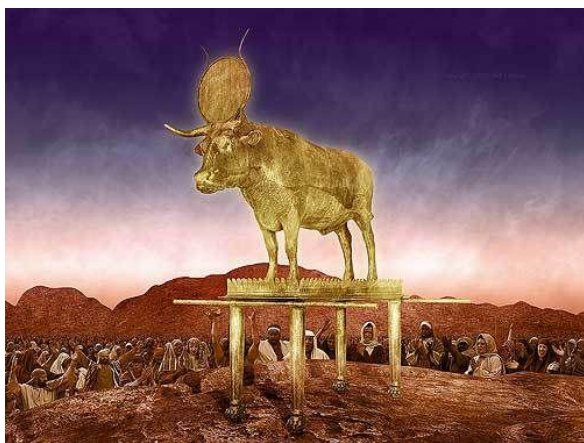

6. THE SPIRITUAL STRONGHOLD OVER WHICH SATAN MADE THE DSC OF ATHALIAH THE QUEEN

The area of spiritual authority that Satan has given to the demonic soul copy (DSC) of Athaliah, is essentially the five spiritual chords of Jezebel and Ahab, as we used to know it, namely:

6.1 Idolatry and religion: Sun god worship – Baal and Molech (Rah)

As mentioned above, Queen Jezebel, King Ahab and then later their even more evil daughter, Queen Athaliah, introduced Baal worship into Israel and then also eventually into Judah. Baal was their depiction of the sun god and in certain parts of Kanaan the sun god was worshipped as Molech.

The sun god required that babies (especially the first born) be sacrificed to him. The Baal priests sacrificed the babies in their temples and on their altars for Baal (on the high places).

The priests of Molech sacrificed the babies on a big statue of Molech underneath which they made a huge fire. When the statue became hot from the flames, the priests would then place the baby in the red-hot arms of Molech and the baby would fall into the burning fire below.

In ancient Egypt, the sun god was worshipped as Rah or Osiris (a part of the unholy trinity, namely Osiris, Isis and Horus).

There are numerous references to the worship of the sun god (Baal or Molech) as well as of the moon goddess (Astarte or the Queen of Heaven) in the Bible and especially in the Old Testament and the Prophets.

The Freemasons (and Satanists) have been doing (and is still doing) exactly the same namely they worship the “*Great Architect of the Universe*” and sacrifice babies in their Masonic

Lodges (only on a very high level, about from the 32nd degree and up) and at their satanic covens. This

evil practice is still continuing today and often amongst so-called “reputable” men that are doing “good works” in society and from whom one would expect it the least.

Roman Catholicism is also nothing other than sun god worship and deceives many into thinking that they are worshipping God, whilst they are worshipping demons. Mother Mary (as depicted and worshipped by the Roman Catholics) is a demon (actually a demonic principality), namely the “Queen of Heaven” (Semiramis of the Babylonian times) and the “baby Jesus” (as depicted and worshipped by the Roman Catholics) is none other than the false Jesus (or Tammuz of the Babylonian times).

In today’s time, sacrificing your babies in worship to any god may perhaps be unthinkable to most of us but is “abortion” not the same thing? The modern-day version of the sacrificing of babies (and often the first born) to Baal (or simply Satan) is abortion (legal or illegal). Only Jesus Christ gives life and only He is entitled to take life. Abortion is cold-blooded murder and a human sacrifice made to Satan.

6.2 Rejection (caused by unhealed emotional hurt, abuse and/or trauma)

Unhealed rejection, hurt, trauma and abuse eventually leads to the ancient stronghold of Jezebel and Ahab entering a bloodline. We can testify that we find fairly strong curses of Jezebel and Ahab in up to 80% of all the Christians that we minister to!

It is not only woman that are affected by the stronghold of Jezebel and Ahab but also men. When this occurs, the men are usually left weakened and emasculated by the demonic presence. However, in the event that the man takes the role of the Jezebel, he usually also loses his Godly authority since it becomes all about “*me, myself and I*” and an obsession with success and performance to impress others.

Rejection may result in various reactions in the human soul dimension (depending on personality type and circumstances) leading to either a “Jezebel” or an “Ahab” mentality (or a combination of the two), including the following:

- Control, manipulation, domination, intimidation (Jezebel stronghold);
- Rejection, self-rejection and self-hatred (Jezebel and Ahab);
- Unforgiveness, bitterness, hatred, anger and aggression (both Jezebel and Ahab);
- Woman not being submissive to their husbands in a Godly way (Jezebel);

- Men not taking up their God-appointed role as the spiritual head of their household (Ahab);
- Perfectionism and being performance-driven (Jezebel stronghold);
- Pride, rebellion, stubbornness, unteachableness and distrust (Jezebel stronghold, also colluding with Leviathan);
- Deadly and all-consuming ambition (Jezebel);
- Inferiority, inadequacy and low self-worth (Jezebel and Ahab);
- Fear of: Conflict, people, not being good enough and of rejection (Ahab);
- Abdication of Godly identity and authority (Jezebel and Ahab); and
- People-pleasing, keeping a false peace and compromising with evil (Ahab).

The bloodline curse of Jezebel and Ahab (where the one is found, you may also expect to find the other) is present in almost all of our bloodlines as believers in Jesus Christ. It is very rare to find a believer in whose bloodlines and ancestry the above things are completely absent.

The Jezebel and Ahab strongholds work “*in tandem*” and are also co-dependant. This means that a Jezebel needs an Ahab (and *vice versa*) to make the stronghold work at its best (often marriage partners or in a work or friendship relationship).

The enemy uses rejection caused by unhealed hurt, abuse and trauma as a number one strategy to keep believers in Jesus Christ in bondage (in soul and body, but also spiritually).

Jackson⁴, compares a Jezebel stronghold with a computer virus and says that it is as if that person’s mind has received a virus that causes it to respond to data in a non-logical manner. It corrupts, re-routes and distorts all information received from that point forward. As with a computer virus, a Jezebel stronghold is programmed to manifest when certain keystrokes (or situations) arise. The virus also influences the activity of others in the afflicted one’s network. A Jezebel spirit, similar than a virus, is designed to shut down the network and kill the host, as well as anyone who does not disconnect from the host.

6.3 Witchcraft

The Mirriam-Webster Learner’s Dictionary defines “witchcraft” as: “*Magical things that are done by witches: the use of magical powers obtained especially from evil spirits.*”

Our Lord and Saviour Jesus Christ however also states in His Word that: “*Rebellion is as the sin of witchcraft*” (1 Samuel 15:23). Manipulation and

⁴ *Unmasking the Jezebel Spirit*, p. 3

intimidation by a Jezebel type of personality may therefore also be seen as witchcraft since the one person attempts to exercise control over the other person's free will. It may therefore be inferred that witchcraft is also part and parcel of the Jezebel and Ahab stronghold.

Ancient sun god or Baal worship (just the same as ancient and modern-day Freemasonry) also involved witchcraft⁵. The ancient sun god worshippers partook in rituals and even cut themselves and drank blood in an attempt to appease the sun god or Baal.

Curses (seen at the time as blessings) were spoken by the Baal priests over the people who brought their babies (especially the first-born) to be sacrificed to Baal or Molech. These curses were spoken, not only over the people who sacrificed their babies, but also over their descendants after them. Many of these curses, spoken by the Baal priests are still present and alive over the lives of believers in Jesus Christ today!

Athaliah, as well as her evil father and mother (together with the Baal priests and the sorcerers and magicians of their time) took part in extreme witchcraft as part and parcel of their worship to Baal.

6.4 Religion

Baal worship (and actually any faith other than belief in Jesus Christ) involves cold religion that ultimately brings spiritual death. Only a personal relationship with Jesus Christ, our risen Saviour, brings life!

In the time of Jezebel, Ahab and Athaliah, the Baal worship consisted of various religious rituals, sacrifices that had to be made and even self-mutilation and various rituals of witchcraft and sexual perversity. All was necessary to appease the sun god in order for him to "bless" the people.

One only has to look at modern-day Baal worship (e.g. Freemasonry, Islam, Roman Catholicism etc.) to see how many laws and rituals there are to obey. Freemasons seek their salvation from their good works and not from their faith in Jesus Christ alone and His grace. Muslims have to pray several times every day and have to obey various rituals and "do's" and "do not's" in order to please "Allah".

The stronghold of "religion" therefore keeps believers in a tight grip of believing that they need to perform and uphold the law in order to be good enough for God and to earn their salvation. The current trend of following the Hebraic Roots is another good example of Athaliah's stronghold, wanting to lure believers back into a faith of "works" and wanting to "earn" their salvation by keeping a whole bunch of Jewish laws.

⁵ 2 Kings 9: 22

The DSC and the spirit of Athaliah (together with her whole stronghold) also works with the Queen of Heaven. She keeps believers tied up in the lie of the baby baptism (by sprinkling of water) that prevents them (by way of a spiritual veil) to see the truth of the baptism of believers by full immersion in water. This spiritual veil blocks the working of the Holy Spirit in their lives as well as true spiritual rebirth and the operation of the Gifts of the Holy Spirit.

We say again: *“Religion is dead and leads to death! Only true relationship with Jesus brings life!”*

6.5 Sexual immorality and Lust

Athaliah also stands for all and extreme forms of sexual immorality, lust and seduction⁶. This includes extra-marital affairs and therefore adultery, pre-marital sex, homo-sexuality, bestiality, sexual perversity, pornography, rape, molestation, incest etc.

Ancient Baal rituals involved depraved and licentious sexual practices and abominations. These Baal worshippers would also not hesitate to practice incest and therefore incest in the bloodlines also forms part of this stronghold.

Temple prostitution was part and parcel of the worship of Baal in the ancient times and temple prostitutes had sex with all the Baal worshippers believing that in this way they would honour Baal.

Ancient sun god worship also involved sexual intercourse with animals and even demons. It is through the sexual intercourse of humans with high-level demons that the Nephilim⁷ gained its existence on earth. Similarly, when these Nephilim had sexual intercourse with animals, it gave rise to the Hybrid⁸.

In modern-day Baal worship, it is exactly the same thing. It is said that sexual perversity also forms part of Freemasonry, especially at the higher levels, and homosexual deeds are seen as part and parcel of their Kundalini awakening. In Islam it is also a known fact that the men claim to have certain sexual rights over their woman and daughters.

One may therefore expect that Asmodee (the power demon) as well as Lust and Sexual Immorality together with Sexual Confusion (amongst others) would also work closely with the other demons and DSC's in this stronghold in order to keep the stronghold of sexual immorality in place.

⁶ 2 Kings 9: 22

⁷ We read of the Nephilim in the Bible in Genesis 6 and essentially a Nephilim is a “half human, half demon” having a human body and soul but a demonic spirit.

⁸ A Hybrid is a half human, half demon, half animal. The spirit will again be demonic whilst the soul may be human and the body a mixture between animal and human.

6.6 War, Murder, Bloodshed and Violence

King Ahab and Queen Jezebel killed almost all of the prophets of God that lived in their lifetime. Athaliah murdered her own offspring in order to gain access to the throne. Baal and Astarte (the Queen of Heaven) requires blood sacrifice and therefore war, murder, bloodshed and violence appeases and honours them.

7. THE DESTRUCTIVE STRONGHOLDS OF JEZEBEL AND AHAB⁹

7.1 Characteristics of Jezebel

It is very important that we should not be self-deceived. In order to be able to repent for agreeing with Jezebel in our lives, we should understand what a Jezebel stronghold looks like.

A Person with a Jezebel stronghold in his/her thoughts and/or who is already possessed by a Jezebel spirit usually displays some of the following traits (note that not all of these features need to be present before it can be assumed that a Jezebel stronghold exists):

<ul style="list-style-type: none"> This person is usually very charming and flattering and uses their personal charm to control and manipulate you, and at the same time they stab you in the back! 	X
<ul style="list-style-type: none"> They usually have strong personalities and are very dominating and influence other people and situations through control, intimidation and manipulation. 	
<ul style="list-style-type: none"> They do not hesitate to lie in order to achieve their unholy goals. 	
<ul style="list-style-type: none"> They are usually very proud and haughty as well as very ambitious. Also a false humility... 	
<ul style="list-style-type: none"> They always take credit for any positive outcome even if they did not have any part in it; neither will they give credit where it is due. 	
<ul style="list-style-type: none"> They seldom show gratitude because according to them you owe them the favour or action. 	

⁹ We acknowledge [Steve Sampson](#) for his two excellent books called *"Discerning and defeating the Ahab spirit"* and *"Confronting Jezebel"* (Chosen Books). These books are highly recommended in order to get a thorough understanding of how these demonic authorities work.

<ul style="list-style-type: none"> • They always channel their anger and frustration to others (externally). They never or seldom take any blame if something goes wrong. They are always innocent. 	
<ul style="list-style-type: none"> • They talk down to other people from a height and display a superiority attitude. 	
<ul style="list-style-type: none"> • They are aggressive (rather than passive) and tend to be bossy, dominating, harsh, arrogant and pushy. 	
<ul style="list-style-type: none"> • They are egocentric (bloated self-consciousness) with very little or no sensitivity for the feelings of others. 	
<ul style="list-style-type: none"> • They rate their opinions higher than that of others. 	
<ul style="list-style-type: none"> • Because Jezebels are control-freaks, they tend to become very jealous for example in relationships or marriage. They want you completely for themselves. Anybody else laying claim on your time becomes an enemy and makes them suspicious. 	
<ul style="list-style-type: none"> • They always use someone else to do their dirty work for them or to achieve their own personal agenda. 	
<ul style="list-style-type: none"> • They will only treat you kindly and accept you if you can be of benefit to them. As soon as you have served your purpose, they will ignore and avoid you. 	
<ul style="list-style-type: none"> • They are very stubborn, mean, jealous and determined. Nothing can stop them from achieving their goal. They are without conscience and the end justifies the means for them (meaning that they will use any evil tactic to get what they want). 	
<ul style="list-style-type: none"> • Anyone who dare differ from them or criticise their conduct immediately becomes the enemy because of their own insecurity and low self-image. 	
<ul style="list-style-type: none"> • They are NEVER wrong and TOTALLY INCAPABLE of apologising for their conduct. They live in DENIAL, never accepting responsibility for their actions. No matter what you do, it is always wrong and they are always right. With a Jezebel you always lose. 	
<ul style="list-style-type: none"> • A Jezebel is usually highly critical of other people because they always want to be the person that looks good and get the glory; so they must pull others down. 	

<ul style="list-style-type: none"> • A Jezebel is incapable of complete forgiveness even though they may say they do. On the contrary, they keep book of your mistakes and will use it as ammunition against you in future to manipulate and intimidate you. 	
<ul style="list-style-type: none"> • They will mislead and intimidate you to obtain information from you just so that they can later use it against you. They make you feel like you can trust them only to realise your mistake later on. 	
<ul style="list-style-type: none"> • They crave conflict and do not hesitate to insult and belittle others. Then they usually blame others for the conflict. 	
<ul style="list-style-type: none"> • They operate from the offensive because they are determined to avoid being hurt again. When they feel like they can possibly be hurt or rejected they attack first to hurt the other person rather than to suffer pain or rejection themselves. Their reasoning is: <i>"I've been hurt and therefore I will not allow you to hurt me again"</i>. 	
<ul style="list-style-type: none"> • A Jezebel usually distrusts everybody. Because the people closest to them hurt them so badly, they don't easily trust anybody. 	
<ul style="list-style-type: none"> • Because of their own insecurity, they find their identity in recognition, position and status. 	
<ul style="list-style-type: none"> • A Jezebel is a narcissist which means that it is all about them and they are never wrong. They are never grateful and feel like the world was created to serve them. 	
<ul style="list-style-type: none"> • A Jezebel does not like change unless it specifically serves their purpose. They are not adaptable to other people's needs. 	
<ul style="list-style-type: none"> • When a Jezebel does not get his/her way, they usually throw a tantrum – scream, throw things around or cry uncontrollably. They like drama and use it purely for manipulation. 	
<ul style="list-style-type: none"> • A Jezebel thinks that they may treat you in any way and say whatever they want but you must always treat them with respect and in utmost love. 	
<ul style="list-style-type: none"> • When they feel threatened, they will attack you immediately and even attempt to get as many others as possible to support their attack on you. 	

<ul style="list-style-type: none"> • A Jezebel does not like peace and quiet, therefore they will start a fight with the least provocation only to show that they feel they are not receiving enough love and attention. 	
<ul style="list-style-type: none"> • They are usually spiritually schizophrenic because one moment they will be talking about the Lord and how they hear from Him and the next they will completely lose it and go ballistic over something quite insignificant. 	
<ul style="list-style-type: none"> • A Jezebel can also be a clairvoyant with the help of a familiar spirit. They therefore usually have premonitions and know that something is going to happen even before it happens. 	
<ul style="list-style-type: none"> • From a female perspective, a Jezebel is the enemy's answer to a male-dominated society. The Jezebel spirit provides false protection to the woman whose rights has never been protected as a child or who never experienced the protective love of a father or husband. From this lack of love, the woman rebels against the whole loveless system and in the end becomes just like it. <i>"The controlled becomes the controller and the oppressed the oppressor"</i>. Such a woman will usually belittle her husband in public while trying to hide or soften it through humour. (The last technique is also used by men with a Jezebel spirit.) 	
<ul style="list-style-type: none"> • A sign of the Jezebel spirit's presence in women is also that they could have problems with their female organs and ability to bear children. 	
<ul style="list-style-type: none"> • The male Jezebel however controls through fear and intimidation. He becomes dominant in the marriage and uses verbal threats and outbursts of rage to get his way. 	
<ul style="list-style-type: none"> • The Jezebel spirit also works strongly through sexual seduction in both men and women. 	

7.2 Characteristics of an Ahab

It is very important that we should not be self-deceived. In order to be able to repent for agreeing with Ahab in our lives, we should understand what an Ahab stronghold looks like.

A Person with an Ahab stronghold in his/her thoughts and/or who is already possessed by an Ahab spirit usually displays some of the following characteristics (note that not all of these features need to be present before it can be assumed that an Ahab stronghold exists):

<ul style="list-style-type: none"> • They are usually introverts and passive and afraid to be themselves. That comes from the “fear of man”. 	
<ul style="list-style-type: none"> • They avoid conflict at all times and will rather look for the problem within themselves than confront the other person for their wrongful conduct. 	
<ul style="list-style-type: none"> • They are <u>keepers</u> of a false peace rather than <u>makers</u> of true peace. They conserve the existing (often false) peace at all cost. 	
<ul style="list-style-type: none"> • They are people pleasers (try to keep everyone happy) rather than God-pleasers. 	
<ul style="list-style-type: none"> • Ahab men are double-minded and therefore love to compromise what is right. 	
<ul style="list-style-type: none"> • Ahab men are aloof and do not take up their responsibility and abdicate their position as priest, king and prophet over the family. 	
<ul style="list-style-type: none"> • They want to be accepted at all cost and will even take the blame for something that they are not responsible for. They always think that they are to blame when things go wrong! 	
<ul style="list-style-type: none"> • They will even apologise to someone who has hurt them, to restore the relationship and to be accepted and loved again! Their reasoning is that they are doing the correct thing by restoring peace but in reality they are submitting to the evil forces that are controlling the Jezebel and in the process yield their own convictions and values. They are demeaned and humiliated once again to be the least. 	
<ul style="list-style-type: none"> • They channel their rage and frustration internally into themselves. This can eventually lead to emotional and physical illness. They feel like a failure and often end up in depression because they feel so powerless and exposed. 	
<ul style="list-style-type: none"> • They do not hold others responsible for the negative effects of their conduct. 	
<ul style="list-style-type: none"> • They never defend themselves and will allow others to repeatedly humiliate and insult them. 	
<ul style="list-style-type: none"> • They have a low self-esteem and feel as if they are the victim. 	

<ul style="list-style-type: none"> • They relinquish their own identity in their overwhelming need for acceptance and to fit in. 	
<ul style="list-style-type: none"> • An Ahab will suppress their true feelings most of the time. It can however explode eventually and then often toward innocent people. They often say (after a long silence before the storm): <i>"I do not get mad, I get even"</i>. 	
<ul style="list-style-type: none"> • They have too much mercy for others. They will often forgive without showing the other person (usually a Jezebel) what he/she had done to hurt them. They will forgive without holding the other person accountable for the wrong conduct and that gives the other person (Jezebel) the right to repeatedly do the same wrong. 	
<ul style="list-style-type: none"> • They appear like good people but are too good and allow their goodness to be abused and trampled upon. 	
<ul style="list-style-type: none"> • An Ahab is usually a martyr and feels sorry for himself without taking the necessary steps to right the wrong (a so-called "victim" mentality). 	
<ul style="list-style-type: none"> • Ahab men and women usually attend church to be religiously and socially correct or for personal gain and not out of love for God (this is also true for the Jezebel). 	

7.3 Defensive meganisms used by both Jezebel and Ahab

The weapons that a Jezebel or an Ahab usually uses for protection are the following:

<ul style="list-style-type: none"> • Denial: A refusal to see and accept the truth (the reality is blocked out) and the person acts as if the circumstances that caused the pain do not exist. 	
<ul style="list-style-type: none"> • Projection: The transfer of something upsetting in their lives (e.g. hurt and rejection) to someone else (e.g. by way of cruel words such as <i>"I have never really loved you"</i>). They do not recognise their own dysfunctionality and want you to experience the pain that they are feeling. 	
<ul style="list-style-type: none"> • Suppression: The voluntary or involuntary removal of something from the conscious mind to suppress something as if it never happened (although they still remember it) (e.g. that her father raped her). 	

<ul style="list-style-type: none"> • Displacement: To project a suppressed emotion to someone or something else (e.g. kicking the dog for no obvious reason since I am angry with my boss). 	
<ul style="list-style-type: none"> • Opposite reaction: The suppression of a feeling or impulse and the defence thereof with the opposite reaction in an exaggerated fashion (for example to replace hate with exaggerated loving conduct). 	
<ul style="list-style-type: none"> • Rationalising: To use false logic to justify your own conduct (for example: <i>"You accuse me of adultery anyway so I might as well do it."</i>) 	
<ul style="list-style-type: none"> • Intellectualising: To strip an experience in which people were hurt of any emotion and to look at it coldly, clinically and intellectually. 	
<ul style="list-style-type: none"> • Pathetic efforts to undo the damage: For instance when a husband attacks his wife physically and then try to compensate by giving her flowers. 	
<ul style="list-style-type: none"> • Minimizing/Lessening: To reduce the importance or significance of something to make it less than it actually is (e.g. a man beats his wife and then blames work-related stress for his conduct). 	
<ul style="list-style-type: none"> • Exaggeration and dramatisation: When a person exaggerates an experience or circumstance or take it out of context (e.g. the wife asks the husband for some room to sort herself out but then he starts monitoring her every move as if she is planning to leave or cheat on him). 	
<ul style="list-style-type: none"> • Compartmentalising: To be two or more distinct persons, for example the man (Jezebel) being a devout Christian and church-goer in public but at home he beats his wife and yells at his kids. 	
<ul style="list-style-type: none"> • Blame-shifting: To blame others for something the Jezebel is not willing to accept personal responsibility for. The Ahab in contrast can unnecessarily shift the blame onto him/herself when the wheels come off. 	
<ul style="list-style-type: none"> • Exaggerated spirituality: When the Jezebel never accepts responsibility for their own wrong conduct but claim that God instructed them to do or not do it. 	

<ul style="list-style-type: none"> • Dramatising: To draw attention to him/herself because of addiction to drama (Jezebel). 	
<ul style="list-style-type: none"> • Filtering: A “victim” or “orphan” mentality – the Ahab experiences everything through victim glasses – they experience a false reality when they reinforce the perception of always being a victim. The Jezebel may in turn always experience everything through orphan glasses - nobody loves me, everybody hates me... (<i>I’m gonna eat some worms!</i>) 	
<ul style="list-style-type: none"> • Escapism: The Ahab finds an escape to avoid the reality, e.g. the wife will be busy in the kitchen repeatedly cleaning the same area while the husband might take up drinking to escape the real problems. 	
<ul style="list-style-type: none"> • People pleasing: These Ahab people live like chameleons. They try to be everything for everybody to please all people and to always be in everyone’s favour. 	
<ul style="list-style-type: none"> • Polarized thinking: The Jezebel’s thoughts constantly jump from one extreme to the other e.g. “<i>everybody likes me, I’m fantastic</i>” to “<i>nobody likes me, I’m useless</i>”. 	
<ul style="list-style-type: none"> • Over generalisation: To come to conclusions (Jezebel) about other people without the necessary knowledge to form any kind of opinion (e.g. labelling someone as an “alcoholic” after seeing them with a single drink). 	
<ul style="list-style-type: none"> • Reading of thoughts: These Jezebels think that he/she automatically knows what others think or need. Conversely they also expect other people to know what they think or need. 	
<ul style="list-style-type: none"> • Personalising: This Jezebel always compares him/herself with others and indirectly tries to break others down to make him/herself feel better. 	
<ul style="list-style-type: none"> • Do’s and Don’ts: These Jezebels have a list of rules of how other people are supposed to act. This leads to unrealistic expectations of themselves and others. 	
<ul style="list-style-type: none"> • Emotional reasoning: These Jezebels always reason from their wounded emotions and allows those emotions to control their thoughts. 	

<ul style="list-style-type: none"> • Passivity: These Ahabs surrender their God-given authority by not taking responsibility for their own lives or to satisfy their own emotional needs. Little or no resistance is offered when others are unfair (Ahab). 	
<ul style="list-style-type: none"> • Aggression: By robbing people of their God-given authority and by not respecting personal boundaries (Jezebel). 	

7.4 Origin of a Jezebel

These people usually come from circumstances (such as in a household) where they were very badly hurt and/or experienced serious rejection due to parents' and/or family members' conduct.

Our deepest need is for love and acceptance and our biggest fear is rejection.

They have been wounded in the soul dimension, feel rejected and seriously lack security.

A Jezebel personality or demonic stronghold originates from a lack of love and acceptance, usually during childhood. It is almost certain that people who experienced serious rejection early on in life will develop a Jezebel personality. It can however also result from a very low self-esteem and serious self-doubt.

A Jezebel is therefore in the core a deeply wounded and crushed person suffering from rejection and doubt in themselves as an individual.

Joyce Meyer, in her book "*Do Yourself a Favour... Forgive*" (2012 p. 22) explains how she became a Jezebel: *"Not only was my father violent, my mother never confronted him. She was timid, so she cowered under his abusive authority. Not only did she not protect herself, but she didn't protect me, either. I learned to despise what I saw as weakness in her, and I determined early in life that I would never be weak or let anyone mistreat me. In an effort to protect myself, I became a controller. I thought if I kept everything and everyone under control then I would not get hurt, but of course my behaviour did not work, because it was ungodly. My husband eventually used godly confrontation in our relationship, and although it took time, it helped me change."* Of course, today she is completely delivered from this demonic stronghold (she admits to the fact that her father raped her more than 100 times as a child).

7.5 Origin of an Ahab

An Ahab personality often originates from a home in which either the father or mother (or both) suffered from serious spiritual, emotional and psychological problems. The child grows up in an environment where both parents are perfectionists and workaholics. In their view, the child cannot do anything right. The parents cannot identify with the children before they reach working age. The children eventually start to find their value in what they can do. They feel like a failure because they can do nothing right in their parents' view. For these parents

a child only has value as long as he/she can perform. That leads to passivity in the child because of a feeling that nothing he/she does is ever good enough. Such children also experience rejection because they never learned that they have value in themselves and that they are unique individuals.

The Ahab personality can also originate from a marriage where one party (Jezebel) dominates the other and so steals his/her dignity as an individual. The dominated party's self-image and self-esteem constantly diminishes until they simply try to keep the peace and stop believing that they can stand against the wrong in their marriage.

An Ahab therefore suffers from unworthiness, inferiority and low self-esteem.

The root of the Ahab personality is in demonic blindness where Satan destroys people's self-worth to the point where they become impotent and unable to stand up for themselves and to handle conflict and difficult situations.

Passivity is a spiritual problem stemming from the fear of man. Passively giving up your God-given authority is an evil act.

It is important to note that the Ahab personality is not only evil and unholy *per se* but they contribute to further evil by not opposing the evil (Jezebel).

7.6 Demonic influence – Jezebel and Ahab

The demonic stronghold in both personalities comes from the pain that they suffered (usually at a young age) and the resultant lack of self-worth and a positive self-image. These people usually make inner vows against those who wounded or hurt them (usually their parents) e.g. *"I will never trust anybody again"* or *"I will never allow somebody to hurt me again"*. This opens a "door" in the spirit for the enemy (demons) and invites them to come in. This normally happens because of unforgiveness towards the person who hurt them. A demon will gain access because of hate or bitterness against the person who caused the hurt or disappointment.

People who got hurt as children start building defence mechanisms for themselves in the soul dimension (to protect themselves from further hurt). E.g. to control others in an attempt to prevent themselves from being controlled. They fear rejection and therefore they start subconsciously to control and intimidate others in order to always get their way. From this insecurity flows suspicion, jealousy and malice. All these emotions in the soul dimension open doors in the spirit for the different demons to gain access to the person's soul dimension.

When the Jezebel and Ahab demons recognise their own evil character in the person, they will enter the soul dimension and reinforce the existing strongholds.

The rights are therefore granted in the soul dimension before the evil spirits can enter.

7.7 God's will for our lives, in the context of the stronghold of Jezebel and Ahab

God certainly does not want us to be either a Jezebel or an Ahab but rather He wants us to be active peace makers and not peace keepers.

We must realise our God-given authority and identity and should therefore not be scared to confront somebody, in a conflict situation, in love with the aim to achieve true Godly peace (not merely maintain a false peace). This approach leads to lasting Godly peace instead of merely a temporary or false peace.

Joyce Meyer (2012, p. 23) says that although we are called to peace and should therefore strive for peace in all circumstances, we should not avoid confrontation with people who abuse us. We must allow God to lead us in godly confrontation. Too much confrontation at the wrong time may however turn upon you when the other person vents his/her anger on you. She says that we should approach the matter in love, rather than anger (Prov. 15:1, Prov. 15:4 en Prov. 25:15).

If we allow the enemy to steal our identity in Christ, we lose our position as sons and daughters of God who were created in His image. We must prevent the theft of our divine identity (as children of God) by realising what our identity in Christ is and that it is not seated in achievements, where we live or what we own. We must avoid the approach of "*thy will be done*" but rather purposefully dare to let God's Kingdom come on earth by annulling the strategies and lies of the enemy (Satan) (1John 3:8).

Remember that the Lord wants to use you to as an instrument in His hands to actively break down and destroy the evil strongholds of Jezebel and Ahab.

We must live an assertive, determined and active lifestyle as a son or daughter of God who has been justified, sanctified and declared worthy by Him.

The scale from passive to aggressive can be depicted as follows:

1	2	3	4	5	6	7	8	9	10
Passive			Active, assertive and determined				Aggressive		

Jesus does not want us to be either passive or aggressive. Neither of the two extremes honours God. God wants us to be active, assertive and determined. It means that we should stand for what is right and that we should not allow evil to steal our God-given identity and authority.

The way to treat these evil spirits is to challenge them and to let them know that their conduct is not acceptable and that you will not allow them to mistreat you in future.

Jesus wants us to confront those who transgress against us in love instead of hate and rage.

It honours God when we choose to confront our problems and so live with self-respect while simultaneously maintaining healthy boundaries for ourselves and our relationships.

Steve Sampson says¹⁰ that we should never confront a Jezebel person alone. Make sure that you have a witness because he/she will lie or deny or twist the truth. Also be sure of your facts and document everything. The Jezebel will deny or twist the facts or accuse you of exaggeration.

Steve also advises¹¹ that we should speak the truth very directly and not sympathise with the person. Remember that it may very well be that you are being confronted by a demon Do not allow the person to play on your emotions with artificial “crocodile tears” or a dramatic emotional outburst.

According to Steve, the demon in the Jezebel person could decide to hide when confronted which might fool you into thinking that everything is normal; but do not be misled by this deception.

We must draw a line in the sand and never allow the person with the Jezebel spirit to overstep that line.

Most believers make the mistake of being too accommodating when working with a Jezebel. We cannot yield to a false peace. God wants us to aggressively confront the Jezebel and not to go soft on the demon. We must be merciless and strike the demon down (See the account of Jehu in the Bible - 2 Kings 9: 30 - 31). You must also remember that you can never negotiate with a Jezebel demon. Although you must love the person in its grip, the demon must be actively opposed.

God says in James 1:8 that He does not condone “double mindedness” and that such a person is unstable in everything he does.

The world desperately needs the Kingdom of God. Jesus wants us all to be active in His Kingdom so as to introduce His Kingdom to the world. If we lose our identity in Christ and become passive by living in the past and feeling inferior, then we are of no use to His kingdom.

God wants us to be uncompromising in our resistance to the Jezebel and Ahab spirits in the church. We must confess our sins and in humility and love seek the truth rather than recognition and reputation. Just as Jehu’s command was to rid the kingdom of the foul and demoralising influence of Ahab and Jezebel, a call goes out today from God to those who are willing to rise against these principalities, unyielding and without compromise.

We must exhibit zero-tolerance towards the Jezebel spirit and uncover its unholy strategies.

7.8 What must I do if I suspect that I have personality traits belonging to Jezebel or Ahab?

If you suspect that you are either a Jezebel or an Ahab, ask the Lord to show you the truth, to show you the root (source) and to help you to be set free.

¹⁰ *Confronting Jezebel* (2012) p. 110

¹¹ P. 110

Now that you know about the cause and functions of these unholy strongholds you ought to, under the guidance of the Holy Spirit and through prayer and forgiveness and acquittal (of those who hurt you), be able to get far in allowing Jesus to break down the strongholds.

In cases of serious demonic oppression and where these strongholds came from family bloodlines or in cases of serious trauma (especially sexual in nature), it is recommended that you acquire the help of experienced disciples of Jesus who can pray with you and who have the necessary knowledge to lead you in this process of healing and deliverance.

7.9 How are people who are oppressed by Jezebel and Ahab liberated?

It is usually easier for an Ahab to be delivered from the demonic stronghold than for a Jezebel. Ahab simply has to learn to set healthy boundaries and to decide to leave the passive lifestyle behind and to stand for what is right. They must also decide to actively withstand the Jezebel in their life. In this way the Ahab demon in them will be weakened. It is however still not easy for the Ahab who has been caught in this stronghold for many years to get free because the passive ways have been established in the soul dimension (especially the thought process) and strong demons (and DSC's) are most likely already present to protect the stronghold.

The Jezebel usually has no desire to change and it is rare to see them change. Between their low self-esteem and inflated ego, their pride prevents them from acknowledging their woundedness. It represents a very difficult pattern to break down unless the person is willing to bow unconditionally before Jesus' authority and to commit to total cooperation to change.

The passive Ahab people are usually the ones that are seeking help to get free from the destructive spiral because they realise that they are being abused and are getting the short end of the stick.

The aggressive Jezebel people usually seldom seek help because they see no problem (they are in denial) and actually enjoy their apparent power and control over others.

A true Jezebel (under demonic influence) seldom changes. They enjoy their dominance and getting their way all the time as well as the power that they yield over the Ahab people in their lives. They are quite happy with their lifestyle that gives them a false sensation of position and power. It also depends on the degree of woundedness because in extreme cases, the walls that the person has built up for protection are so high that it seems impossible to break them down. In such cases only Jesus can heal the person through disciples who can lead the person to proper deep inner healing of the (usually very deep) wounds.

If these insecure and wounded individuals are faced with the truth, they invariably see the one confronting them as the enemy and launch a counter attack. These dominating, controlling Jezebels are the people with the worst tempers

imaginable when confronted. Their counter attack is powerful; they will never acknowledge guilt or relinquish power.

Such wounded and insecure people are also incapable of accepting positive criticism for it is immediately seen as rejection. That is why Jezebel people seldom acknowledges being wrong.

A Jezebel's personality and conduct has mostly been formed from a lifetime of distorted thought patterns and "being in control". The Jezebel traits are so fixed in their personalities that evicting the demon usually does not solve the whole problem. The person must be willing to commit to having his/her mind renewed and to *"take every thought captive and make it obedient to Christ"* (Rom. 12:2, Eph. 4:23 & 24 and 2 Cor. 10:5).

If a person who is caught in the demonic stronghold of Jezebel wants to be free, they must be earnest in their desire to change. It takes sincere confessing of sin and recognition of the evil of the stronghold in them to be able to close the door on a Jezebel spirit.

If one party in a marriage seeks freedom from the demonic stronghold and seeks change, deliverance and healing but the other person is not interested and prefers to remain in their stronghold (e.g. the Jezebel party), it can lead to separation or even divorce.

The key to deliverance from these demonic strongholds is to confess the inner vows (that were made because of the hurt) as sin, to ask for forgiveness and to renounce them in Jesus' name and lastly to sincerely forgive and acquit the person who transgressed against the Jezebel/Ahab.

Praying for a Jezebel or Ahab to be delivered is not the right strategy while they are still in denial and do not actually want to get free. Rather pray for a divine revelation of the fact that they require deliverance and then develop a desire to be free.

8. THE AIM OF SATAN WITH THIS STRONGHOLD OF ATHALIAH

The aim of Satan with this stronghold is the spiritual (and in any other way) "killing" of a believer's calling and creative destiny in Jesus Christ!

Just as Athaliah's assignment from Satan when she actually lived on earth (whether she knew it at the time or not) was to wipe out the whole bloodline from which the Messiah would be born (thereby trying to defeat God's plan of salvation), her demonic soul copy in today's time has been mandated by Satan to, spiritually, continue to do exactly the same.

Many believers whom we have ministered to complain of exactly this namely that they can sense that the Lord is calling them to something but it is as if there is a "block" preventing them from finding their calling and from rising up into it.

Satan knows that the whole of creation is eagerly awaiting the arising of the sons of God¹² (those who know their identity, their authority and calling in Jesus Christ and are led by the Spirit of God) and He wants to prevent it at all cost. The Lord also says that in the last days He will pour out His Spirit on all flesh¹³ and that He will restore the prophetic. Again, Satan knows this and wants to prevent this at all cost, especially the arising of the true end-time apostles and prophets of God.

This stronghold of Athaliah is therefore a valuable “trump card” in the hands of Satan to keep believers in Jesus Christ in bondage (in soul and body but also spiritually) and unable to find and fulfil their calling in Him....

Just as Satan has done from the beginning, Satan is raising up fierce opposition to this prophetic generation. The enemy has always sought to silence God’s prophetic voices and to abort intercessory prayer. Its name is Jezebel (and Athaliah) – a diabolical spiritual force that seeks to deceive, defile and destroy God’s authorities.¹⁴

9. WHO ARE THE MAIN DSC’s THAT WE MAY EXPECT TO FIND IN THIS STRONGHOLD?

In addition to the **DSC of Athaliah** (who is usually right on top), we may expect to find the demonic soul copies (DSC’s) of the following people, many from ancient Biblical times:

Name of DSC	Function/strategy in the person
Athaliah	NB: Kill the calling of Jesus Christ in any way (spiritually, physically or psychologically) , keep the whole stronghold in place, witchcraft (HIC ¹⁵ and HIA’s ¹⁶), strong enough to draw DSC’s in.
Queen Jezebel	To keep the whole stronghold of Jezebel in place. ¹⁷
King Ahab	To keep the whole stronghold of Ahab in place. ¹⁸
Brothers of Athaliah: Ahaziah and Joram	To support the DSC of Athaliah and to act as “back-ups” for her.
Various Baal priests	Hold on to HIC, sacrifice them in the spirit, keep a spiritual veil in place, steal joy, steal the identity and authority in Christ, pollute the Gifts of the Spirit, especially false prophecy. Must not remember childhood (especially trauma).

¹² Romans 8:19

¹³ Joel 2:28

¹⁴ Jackson, John Paul : *Unmasking the Jezebel Spirit* p. 2

¹⁵ Hurt inner children

¹⁶ Hurt inner adults

¹⁷ See par. above

¹⁸ See par. above

Temple prostitutes	Sexual impurity, immorality and lust.
Magicians and sorcerers of Baal	Draw the person to the occult and to witchcraft, curses the person and his/her finances, pollute the Gifts of the Holy Spirit, especially false prophecy.
Babies who were sacrificed to Baal (thousands)	Sadness, brokenness, hopelessness, prevents inner healing.
Nimrod, Semiramis and Tammuz ¹⁹	Worship of the false trinity, spiritual confusion and deception.
Various Pharaoh's, especially (NB) Pharaoh Thutmose III ²⁰	Prevent inner healing and deliverance. The person must not gain freedom in Christ (must remain a "slave" in their spiritual "Egypt").
King Herod ²¹	Kill the person's calling in Jesus Christ, prevent the person from hearing and rising up in their calling. Prevent a Godly bloodline from continuing i.e. infertility, miscarriages and early death of children.
Goliath ²²	Rejection, murder, blood lust, aggression.
Various Freemasons ²³	Trying to lure the person to Freemasonry, confusion, deception and mind-control, hold the Kundalini spirit, hold the Lewis Curse with all its effects in body, soul and spiritually, death of first born, accidents, sexual confusion, homosexuality etc.
Witches and Magicians ²⁴	Keep the door open for witchcraft, curse the person constantly, try to lure the person (and their children) into the supernatural on the dark side. False gifts such as false prophecy and false tongues.
Satanists and other occultists ²⁵	Lure the person to Satanists and the supernatural on the dark side, wants to kill the person in any way.
Ancestors of the person who were caught up in the stronghold of Jezebel and Ahab. ²⁶	Rejection, hurt, trauma, abuse, unforgiveness, bitterness, hatred, rebellion, perfectionism, jealousy, inferiority, inadequacy and low self-worth etc. ²⁷
Saul (of the Bible)	Hates the anointing of God and wants to kill it in any way possible (works strongly with Leviathan).

¹⁹ The Babylonian false trinity

²⁰ Who did not want to let the Israelites go to their promised land.

²¹ Who killed all the babies of 2 years old in an attempt to kill Jesus. We heard from the mouth of the DSC that King Herod was a Nephilim (however, we could not verify).

²² Goliath was a Nephilim, the one whom David slayed with his slingshot and 5 pebbles.

²³ Both who were in the person's bloodline and who were not.

²⁴ Who were both in the person's bloodline and from outside.

²⁵ Both from within the bloodline and from outside.

²⁶ Rejection and unhealed hurt, abuse and trauma – unforgiveness, bitterness, hatred, rebellion, pride etc.

²⁷ The stronghold of Jezebel and Ahab (see par. 7 above).

The Witch of Endor ²⁸	Witchcraft, calling up of spirits, cursing the person continually, drawing in of other DSC's of witchcraft.
Delilah ²⁹	Sexual immorality – in men she would draw to them woman who will seduce them in order for them to miss their calling in Jesus Christ.
Various DSC's to do with murder, bloodshed, violence and war (too many to mention) ³⁰	The person must <i>"live by the sword"</i> so that the person will also <i>"die by the sword."</i> Anger, rage, violence, murder, bloodshed, revenge etc.

The list above is not exhaustive and is based upon our personal experience in the ministry room. Yes, we have already (numerous times) found these people as DSC's in beautiful children of God where this stronghold of Athaliah is present.

10. WHO ARE THE MAIN DEMONS THAT ONE MAY EXPECT TO FIND IN THIS STRONGHOLD?

We were once told by a DSC (obviously under the anointing of the Holy Spirit) to *"not forget about the demons"*! We have learned to remember that DSC's are empowered by demons and that therefore one should always expect demons to be present and to act as the spiritual "engine" behind the DSC (the outer body of the vehicle).

The list is actually endless and will depend from person to person (that you minister to) but we are able to say for sure that you may expect to find the following groups of demons (evil spirits) in a person where this stronghold of Athaliah is present:

- Athaliah, Jezebel and Ahab
- Control, Manipulation, Intimidation and Domination
- Rejection, Self-rejection and Self-hatred
- Unworthiness, Inadequacy and Low Self-Worth
- Perfectionism, Pride, Rebellion, Stubbornness, Unteachableness, Fearlessness (also Leviathan)
- Unforgiveness, Hatred, Bitterness, Anger, Rage, Jealousy
- Brokenness, Hopelessness, Despair
- Fear of man, Fear of Conflict, Fear of Rejection, People-pleasing
- Depression and Suicide
- Death and Destruction
- Infirmary (as well as many other demons of physical illness such as the spirit of Cancer, spirit of High Blood Pressure etc.)

²⁸ Of the Bible - 1 Samuel 28:7

²⁹ Of the Bible – Judges 16

³⁰ Napoleon, Hitler, Alexander the Great, Stalin, Achilles etc.

- Lucifer, Baal, Baphomet, Spirit of Freemasonry, The Queen of Heaven, Mammon, Kundalini
- Confusion, Deception, Mind-Control, Programming
- Fear, Anxiety, Tension, Stress, Paranoia
- Asmodee, Lust, Sexual Immorality, Sexual Confusion, Homosexuality and Lesbianism
- Religion, Tradition and Dogma
- Witchcraft, divination etc.

These demons may be addressed in groups, as the Holy Spirit leads.

11. WHEN THE DSC OF ATHALIAH APPEARS TO BE TOO STRONG

We have often encountered that the DSC of Athaliah (when challenged) appears to be too strong and does not want to cooperate. Upon asking the Holy Spirit what gives the DSC its strength, it was revealed to us that the hurt inner child (HIC) of Athaliah should first be addressed since it is the hurt, rejection, bitterness, unforgiveness and extreme hatred that is captured in the hurt inner child of Athaliah that gives the DSC its strength.

Low and behold!! Every time that we have encountered the demonic soul copy of Athaliah and tested for her HIC, there she was!!

It appeared from our spiritual encounters with the HIC of Athaliah, that she (as a child) underwent extreme trauma and rejection. It also appeared that she was put through immensely cruel and unspeakable atrocities that has to do with Baal worship, rituals in worship of the sun god and extreme sexual perversities such as rape and molestation at a very young age.

We therefore had to take the HIC of Athaliah through inner healing by the power of the Holy Spirit before asking Jesus to take the HIC away with Him.

Each and every time that we have dealt with the HIC and Jesus has taken her away, the DSC of Athaliah then lost more than 80% of her power and suddenly were able to cooperate with us and to allow Jesus to eventually take her (and her whole stronghold) out.

12. **ATHALIAH'S WITCHCRAFT: DSC'S OF THE BELIEVERS THEMSELVES (HURT INNER CHILDREN AND HURT INNER ADULTS)**

As a result of the extreme witchcraft that Athaliah and her spiritual allies were involved in when they lived on earth, this DSC of Athaliah (and her close allies – demons and DSC's) is able to make (usually as a result of trauma) demonic soul copies of the person him- or herself (as a child and/or as an adult). These DSC's are made by way of pure witchcraft and demonic empowerment and are put back (by demonic power) into the actual person to assist in keeping them in bondage.

The role and function of these HIC and HIA's is to keep the person in bondage to emotional hurt, emotional pain, rejection, fear, shock etc.³¹

An example: A lady was hurt extremely bad emotionally when her husband cheated on her and had an extra-marital relationship (an affair). He however sincerely apologised to her and she decided to give him another chance. She forgave him completely and decided to put the incident behind her. However, she finds herself in a constant battle to really and truly trust him again and constantly experiences rejection and uncertainty at every turn and corner of their relationship. She finds herself unable to truly put the incident behind her, no matter how many times she forgives her husband! The reason for this is that there is a hurt inner adult (HIA) in her soul dimension (which is essentially a DSC of herself) who still holds on to the emotional hurt and pain as well as the rejection and distrust. Only Jesus, by the power of His Holy Spirit, is able to remove this HIA by way of deep level spiritual healing (deep spiritual surgery).

In the same way, there may be hurt inner children (essentially a DSC of the person him-or herself, as a child) who are still unable to forgive the people who have hurt them (e.g. molested or raped them). In this way the rejection, hurt, shame, sadness, sorrow etc. is being captured by the HIC in the adult person. Again, only Jesus by His precious blood and the powerful working of His Holy Spirit can bring healing to these inner children and take them away. In this way, very deep level spiritual healing can take place in someone's soul dimension.

We have, so far, found several HIC and HIA's in the people that we ministered to and in every case our Lord Jesus has been faithful and has given deep inner healing and has removed these HIC and HIA's.

13. **ATHALIAH'S WITCHCRAFT – A PLAN TO TAKE BELIEVERS BACK INTO BONDAGE (AT A PRE-DETERMINED FUTURE TIME!)**

We always say that this is really a very low blow from Satan! We have often found (in believers with this stronghold of Athaliah) that the high-level demons and DSC's (especially Athaliah herself) make a DSC (or even more) of the soul dimension of the person whom we are ministering to that is, as yet,

³¹ See our teaching and DVD on Hurt Inner Adults and Hurt Inner Children.

unprogrammed. What you then typically find is a “dummy” DSC of the person him/herself merely knowing their name but nothing else. These dummy DSC’s often just know how old they are but not what they are supposed to do. They often then say to us that they are older than the person’s current age and that they have to wait until a time in the future (often until they become of the age that they are programmed to be) before they start operating.

We have picked up in the spirit that these DSC’s are programmed to kick in at a determined time in the future with the aim of taking the person back into bondage (basically “back to square one”).

One such an example was a DSC of a young woman whom we ministered to who said that she is older than the woman was at that time and is programmed to kick in as soon as the woman has children to then give her post-natal depression. She must then feel totally unable to care for her children and to be a good mother because of the depression.

Fortunately our Lord Jesus Christ has also revealed this strategy of the enemy to us and we thank Him also for this break-through in thwarting the enemy’s plans.

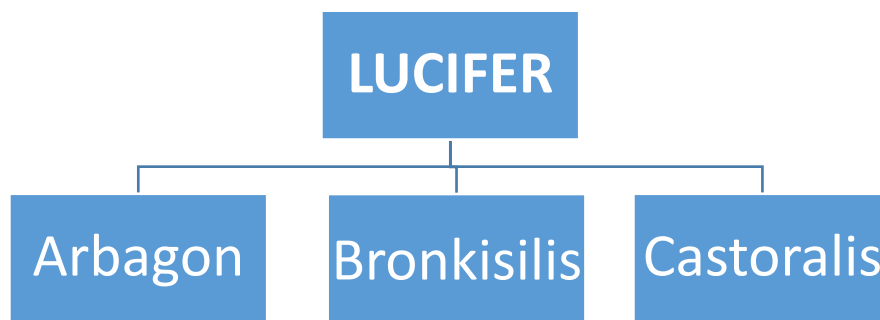

14. WHAT ROLE DO THE DEMONS PLAY IN THIS STRONGHOLD AND WHO IS “ON TOP”?

14.1 The role of demons in the stronghold of Athaliah

The demons, as mentioned above, are similar to the engine of this stronghold, giving it (the motor vehicle) the power and the means to do everything that it is assigned by Satan to do. The demons empower the DSC’s who are as the body of a motor vehicle.

14.2 Who is usually on top of the structure?

The Lord has shown us, through His Holy Spirit, that there are usually four (4) main demons above the DSC of Athaliah who empower this whole stronghold. They are the following power demons (e.g. demons of high authority who are as spiritual generals who command the foot soldiers underneath them):

Lucifer is usually the one at the top of the pyramid of bondage. The names of the other three demons have been revealed to us by the Holy Spirit but their spelling is merely phonetical.

In one particular session, these demons said to us that the three (3) of them act as a spiritual “clutch” in a motor vehicle. They therefore provide power to the spiritual “gearbox” that enables the engine (demons below them) to give driving power to the wheels (the DSC’s).

These demons (that are under Lucifer in this stronghold of Athaliah) usually act as the masters of their particular “silos” of bondage e.g. Arbagon may be overseeing and managing the whole silo of rejection and hurt (therefore the stronghold of Jezebel and Ahab together with everything that goes with it), Bronkisisilis may be the manager over the stronghold of witchcraft and occult including the sun god worship and religion whilst Castoralis may be over the sexual immorality and lust as well as the bloodshed and murder (depending upon the particular spiritual make-up of the person that they are in).

These “silos” may be diagrammatically illustrated as follows:

ARBAGON	BRONKISILIS	CASTORALIS
<ul style="list-style-type: none"> • Demons and DSC's, HIC and HIA's pertaining to Jezebel and Ahab, rejection and hurt etc. 	<ul style="list-style-type: none"> • Demons and DSC's pertaining to sun god worship, witchcraft, Freemasonry etc. 	<ul style="list-style-type: none"> • Demons and DSC's pertaining to death and destruction, sexual immorality and lust etc.

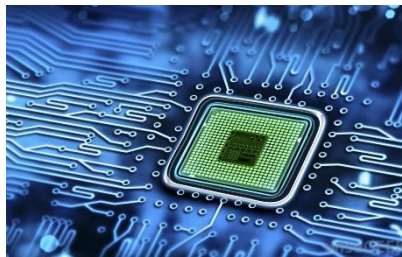

We however have to confess that the functions of these demons have not been exactly the same in all the people in whom we have found the stronghold of Athaliah. We do however mostly find exactly these same three demons (as masters of their “silos”) in all the people in whom we found the stronghold of Athaliah so far Amazing!!!

As expected, we mostly find that the demon who is the “capstone” of this whole pyramid of bondage is **Lucifer**. Lucifer then almost always admits that he was assigned by Satan to watch over this stronghold and that he should keep the stronghold in place. This is often (but not always!) the last demon that we have to cast out to finally get rid of the stronghold.

14.3 The spiritual micro-chip

“Reality (in the spiritual realm) is stranger than fiction (in the natural realm)!!”

The Holy Spirit has also address the contains the “blueprint and serves as a the demons and micro-chip contains the that they may create particular believer in Jesus Christ.

shown us that we should “spiritual micro-chip” that information” from Satan “spiritual road map” for DSC’s. This spiritual nature of the bondage and keep in place in a

It appears (from what we have learned in the School of the Holy Spirit in sessions with people) that this spiritual micro-chip enters the soul and body of a believer in Jesus Christ already at his/her conception in the womb and the content thereof depends, essentially, on two aspects, namely:

- The bloodline curses that are relevant and in place over the particular individual’s life; and
- The personality type and characteristics of the particular individual (i.e. personal tendencies e.g. tendency to be passive, quick to react, naïve or very sensitive etc.).

14.4 Role and authority of DSC’s of Nephilim (including Hybrid) in this stronghold

We have also often found that DSC’s of Nephilim are given very special and high authority and importance in an evil structure such as this. One may therefore often find a DSC of a Nephilim or a Hybrid near the top of the pyramid (or even, in some cases, above Lucifer!). One such a DSC of a Nephilim (whom we have already often found in people) is “**Jurgens Mulassi**” (phonetically spelled) who admitted to us that he was the most senior Nephilim at the time when the

pyramids of Egypt was built³². He was apparently closely involved in the building of the pyramids in Egypt. In fact, he confessed that he was the architect of the pyramids and received the plans and design directly from the demonic principalities. This Nephilim, however, may also have a different spiritual name and may even go by various spiritual names. We merely say that this is the name that was revealed to us by Jesus through the Gift of Word of Knowledge. We have already found the DSC of this Nephilim in a couple of (unrelated) people whom we have ministered to.

Often the role and function of this Nephilim DSC is to keep the plans of the whole demonic stronghold and to oversee the “building” and the “keeping intact” of the whole stronghold.

We have also often found DSC’s of Hybrid in people whom we have ministered to and in whom we found the stronghold of Athaliah.

It appears as if the enemy would have the right to use a DSC of a Nephilim and/or a Hybrid to strengthen the stronghold if there was a strong curse of the Nephilim in the person’s bloodlines (e.g. meaning that his/her ancestors inherited the seed of the Nephilim and Hybrid, thereby defiling the royal seed and image of Jesus Christ in our bloodlines).

14.5 No two structures of bondage are ever identical

It is very important to remember that the structure of bondage in no two people are identical. The reason is that the enemy appears to have different “rights” (depending on the bloodlines and the curses (and blessings) relating to the ancestors) to each person’s soul and body.

Therefore, always remain sensitive to the leading and guidance of the Holy Spirit. It would therefore unfortunately never be possible to simply follow a predetermined recipe!

14.6 The role of “back-ups”

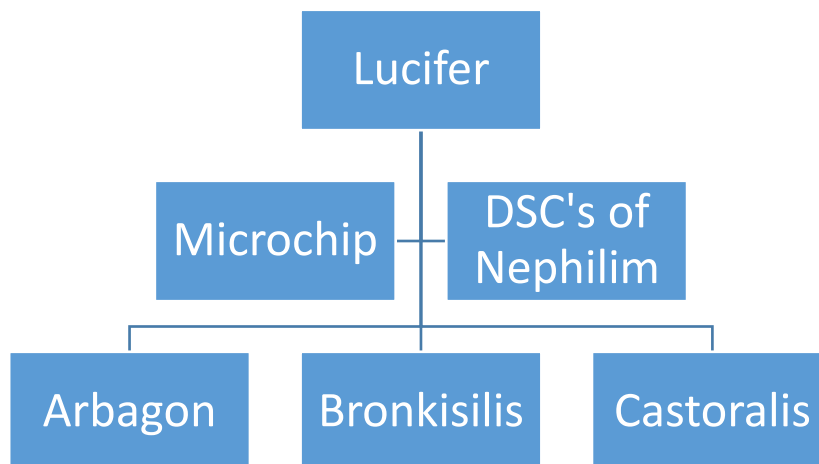

We often find that major or key DSC’s (demonic soul copies) (such as Nephilim, Athaliah, Jurgens Mulassi etc.) also have so-called “back-ups” meaning that there are other DSC’s who stand behind them with the instruction from the demons to “kick in” when the DSC (for whom they are acting as a back-up) has been removed.

Be sensitive to this possibility. This is another reason why we will never be able to unravel these spiritual strongholds of the enemy without the help and guidance of our precious Lord Jesus Christ through the power of His Holy Spirit!

³² The Holy Spirit has taught us that the Nephilim built the pyramids (not only in Egypt but all over the world).

15. HOW MAY THIS STRONGHOLD BE DIAGRAMMATICALLY ILLUSTRATED?

15.1 Top demonic structure

15.2 DSC structure (including demons) – various silos

16. WHAT IS THE EFFECT OF THIS STRONGHOLD IN BELIEVERS' LIVES (SOUL AND BODY, BUT ALSO SPIRITUALLY)?

The effect of this stronghold in the life of a believer in Jesus Christ may be summarised as follows:

16.1 Soul dimension

- The whole stronghold of Rejection and Jezebel and Ahab (refer paragraph 7 above) including self-rejection and self-hatred;
- Unforgiveness, bitterness, hatred and anger, rage, jealousy, accusation, conflict etc.;
- Unworthiness, inadequacy, low self-worth;
- Pride, rebellion, superiority, unteachableness, stubbornness, a know-it-all mentality;
- Fear of man, fear of conflict, fear of not being good enough, fear of rejection and people-pleasing;
- Fear, anxiety, stress, uncertainty, unbelief;
- Mental deception, confusion and mind-control;
- Numbness, passiveness, indecisiveness, forgetfulness;
- Tension, depression, bipolar, ADHD, mental illness (including schizophrenia) and insanity;
- Brokenness, hopelessness and despair;
- A "victim" or "orphan" mentality;
- Distrust of people and God; and
- Thoughts of sexual immorality and lust, homo-sexual urges, impure thoughts.

16.2 Body

- Various infirmities of which infertility is a most important one (including various illnesses that may lead to infertility);
- Cancer (of any kind);
- Arthritis and back problems (especially lower back);
- High blood pressure and high cholesterol;
- NB: Auto-immune diseases such as Lupus, Hashimoto's disease (Thyroid), multiple sclerosis etc.;
- Malfunctioning of the thyroid;
- Osteoporosis;
- Thrombosis, heart disease;
- Diabetes;
- Sinus, allergies, asthma and chronic upper respiratory infections; and
- Actually, too many to list (almost any disease and/or infirmity).

16.3 Lifestyle

- Homosexuality and lesbianism, bestiality, sexual promiscuity and sexual perversion, sexual coldness;
- Adultery, pre-marital sex;
- Death and destruction: Miscarriages, abortion, early death of people (especially children and the firstborn – e.g. stillborn babies), accidents etc.
- Cold and selfish ambition (will trample upon others in order to achieve success), taking short-cuts to success, striving for personal gain;
- Lust for many fleshly things including material things and money;
- Lawlessness and rebellion;
- Financial poverty or being caught up in the stronghold of Mammon;
- Lack of break-through in finances, business, health and otherwise;
- Inability to form and maintain healthy relationships, divorce; and
- Inability to find a life partner to marry - loneliness and isolation.

16.4 Spiritually

- A spiritual “block” e.g. struggle to hear God’s voice, unable to gain revelation from the Word, unable to worship and to “connect” with God;
- Spiritual doubt and uncertainty about who God is;
- Tendency to relying on good works to obtain salvation (religion) e.g. Hebraic Roots;
- Being lured to (a fascination with) the supernatural on the “dark” side;
- Being lured to getting involved with Freemasonry or having unholy connections with Freemasons;
- Spiritual deception, confusion, error and control;
- Pollution of the gifts of the Spirit, especially false prophecy and false tongues – Athaliah wants to kill the true prophets of God! False dreams and visions;
- Inability to find one’s identity in Christ;
- Inability to rise up in one’s authority in Christ; and
- **NB: Inability to find and follow your calling in Jesus Christ (e.g. your divine creative purpose).**

17. HOW DO WE GAIN FREEDOM FROM THIS STRONGHOLD?

There is only One who can rescue us and set us free from this stronghold of Athaliah and that is our Saviour and King Jesus Christ through the power of His Holy Spirit!

According to Revelation 2:20 – 23 our Lord and Saviour Jesus Christ wants us to break any compromise with Jezebel (and for that matter Athaliah) in the Body of Christ and He wants us also to repent for our own (and our ancestors’) involvement in this stronghold.

The path to freedom involves breaking of the relevant bloodline curses (in the womb at conception) as well as sincere and heartfelt confession and repentance of the whole stronghold, together with deliverance from the demons and DSC's (see the annexed renunciation prayer).

However, if we experienced trauma, rejection, abuse and/or hurt in our lives (either as children or as adults) that is not yet healed, those will remain "rights" to which some of the demons, DSC's, HIC and HIA's may attach themselves and then, in that case, it would be necessary also to undergo deep inner healing under the guidance of the Holy Spirit.

Coupled with this, we have to ask Jesus to help us to renew our minds and to turn away from our bad behaviour patterns that are aligned with this stronghold.

We often say to people that gaining your freedom in Jesus Christ is the same than peeling away the various layers of an onion. It is very seldom a once-off and immediate freedom. It often requires a lifestyle of listening to and obeying the Holy Spirit and allowing Jesus to come and wash your soul and body clean with His precious blood.

In 1 Samuel 15: 22 Samuel says to Saul: *"Has the Lord as great delight in burnt offerings and sacrifices, as in obeying the voice of the Lord? Behold, to obey is better than sacrifice, and to heed than the fat of rams."* NB - Obedience is more valuable than sacrifice!

You are welcome to pray the enclosed renunciation prayer with us and we trust that it carries the anointing of Jehu to nullify and completely destroy the power of this stronghold over your life.

18. ADVICE TO WARRIORS OF JESUS CHRIST THAT ARE ACTIVE IN SETTING THE CAPTIVES FREE

Many people who are reading this teaching may already be active warriors of Jesus Christ and may therefore already be ministering inner healing and deliverance to their fellow believers. To them we have the following advice, specifically pertaining to the unravelling and addressing of this stronghold:

- The person you minister to must have been baptised as a believer by full immersion in water. We see too often that the Religious Spirit blocks the process when the person has not yet been baptised as a believer. The false baby baptism (by way of sprinkling of water) still keeps a spiritual veil of Religion in place that seeks to prevent the work of the Holy Spirit;
- The person you minister to must understand bloodline curses (BLC's) and demonic soul copies (DSC's);

- The person you minister to must understand the stronghold of Jezebel and Ahab and must be willing to confess and repent for the various aspects of these strongholds that may be prevalent in their lives;
- Start with breaking the BLC's in the womb at conception and specifically the bloodline curse of Athaliah;
- Look for things that may be trying to block the process. Leviathan and/or Kundalini is a very strong likelihood if you experience a block to the process (see our renunciation prayers on Leviathan and Kundalini on our webpage);
- Test initially for some strong DSC's that may want to block the process (e.g. someone that the person has a strong sole tie with e.g. a husband (that is not in Jesus Christ) or a pastor who has baptised the person but who is a Freemason and worships the "false Jesus" (i.e. Lucifer);
- Begin with inner healing in the soul dimension:
 - Forgiveness of the living and the dead (including the person him/herself and "forgiving God") is paramount;
 - Confession and repentance of all wilful and other sin (NB);
 - Deep inner healing of all childhood and other trauma (e.g. molestation as a child or the trauma of a divorce as a child or an adult etc.);
 - Look for Hurt Inner Children and Hurt Inner Adults and ask Jesus to heal them and to take them away (even in the womb);
- Take on the DSC of Athaliah (together with her whole stronghold of DSC's and demons) when the process of inner healing is completed, to the best of your knowledge:
 - Call the DSC of Athaliah out;
 - If Athaliah appears to be too strong, first address the hurt inner child of Athaliah and lead her to inner healing and ask Jesus to take her out (of the DSC of Athaliah). We have found this to be appropriate in many cases and have dealt with the hurt inner child of Athaliah with very positive results....;
 - Get the DSC of Athaliah to cooperate;
 - Ask our Lord Jesus Christ to create a spiritual ball of fire;
 - Command the DSC of Athaliah to consolidate to one copy and to go into the spiritual ball of fire;
 - Command all the other DSC's that work with Athaliah in this stronghold to consolidate to one copy each and to go into the spiritual ball of fire (call them by their names or by the names of their functional groups, as the Holy Spirit leads);
 - Remember to also address the demonic soul copies of the person him/herself (both those already programmed and those that are still waiting to be programmed). Command them also to consolidate and to go into the spiritual ball of fire;

- Bind the demons (that work with them) and command them to go into the spiritual ball of fire as well (call them by name as the Holy Spirit leads); and, lastly
- Ask Jesus to rip the whole spiritual ball of fire out;
- Lastly address the demons that form the upper pyramid of the stronghold. We usually call them out by name, bind them and then ask them what their functions are and whether there are other demons and DSC's below them that work with them (in their respective "silos"). We ask Jesus then to create a spiritual ball of fire and then we command the demon (whom we have addressed) together with all demons and DSC's that work with that demon to go into the spiritual ball of fire. Lastly, we command the demon to leave and we ask Jesus to rip the whole spiritual ball of fire with all the demons and DSC's in it out. Go through this process in respect of Arbagon, Bronkissilis and Castoralis;
- Lastly, you may deal with Lucifer who is usually on top of the stronghold. Ask Lucifer whether he still has rights in the person and if the answer is "no" then cast Lucifer out!;
- Keep in mind that there may be "back-ups" (demons or DSC's);
- Although we share with you what we have learned in the School of the Holy Spirit, it is very important for each and every Warrior of Jesus Christ to be sensitive to the leading of the Holy Spirit when you are ministering to fellow believers. We can never simply follow a guideline or a textbook. We have to follow the Holy Spirit's guidance and leading;
- NB: Although we have found this pattern of the Athaliah stronghold in believers, no two cases were ever completely identical;
- Remember that the enemy may change strategy at any time – therefore be and remain sensitive to the Holy Spirit; and
- BE WILLING TO EXPERIMENT!

19. CLOSING

We now extend this anointing of Jehu to all you mighty warriors of Jesus. May our Lord Jesus Christ be with you as you dismantle and dethrone and ultimately destroy this demonic stronghold of Athaliah and set those free who have been held captive by this stronghold for generations and generations....

May our Lord's spiritual Warriors be set free by the power of His blood to fully stand up in their divine callings from the Father and may our Lord Jesus' end-time army arise!

20. GLORY AND HONOUR

All glory and honour to our Father in Heaven who has called us, our Lord Jesus Christ who has anointed us and the Holy Spirit who has revealed to us all of the information contained in this teaching.

To Him, Jesus Christ, our Saviour, our Redeemer, our King and our Bridegroom all the honour and praise and glory! We love you Lord Jesus!!

MAY OUR LORD JESUS CHRIST BLESS YOU AND BE WITH YOU AS YOU TAKE AUTHORITY OVER THE FORCES OF DARKNESS IN HIS NAME!!

RENUNCIATION PRAYER FOR THE STRONGHOLD OF ATHALIAH

(Preferably have communion before you start with this prayer and anoint yourself and the others that are going to pray with you with oil as a mere prophetic action to show that you are now placing yourself under the anointing of the Holy Spirit.)

At the outset of this prayer, we declare in the name of our all mighty Saviour and King Jesus Christ, that this prayer carries **the anointing of Jehu**, with the same mandate and authority from God the Father, to slay the whole household of Athaliah, Jezebel and Ahab together with all of their spiritual allies (demons and demonic soul copies) and to claim back all spiritual ground that was stolen from us and our children by the enemy through the stronghold of Athaliah.

We cut this whole stronghold of Athaliah now loose from the sun, the moon and the star constellations and from any other open portal in the heavens, under the Earth and on the Earth to Satan's kingdom. We isolate this whole stronghold now in the spirit and we forbid any demons or demonic soul copies to draw power or to communicate or to call in any reinforcements.

Our Father in Heaven, we come before your holy throne in the mighty name of Jesus Christ (who had become flesh, died for us on the cross, was buried and has risen on the third day by the power of your Holy Spirit). Father, Jesus and Holy Spirit, we stand today on the fact that Jesus died for us and has therefore eternally paid the price to purchase our freedom and that we may live forever with You but also that we may be washed clean (in soul and body) by the powerful blood of Jesus.

1. **CANCELLATION OF BLOODLINE CURSES AT CONCEPTION IN THE WOMB**

Lord Jesus, we know that our forefathers have sinned and that, based on your Word, their sin and iniquities rest on us, if unrepented for.

We therefore ask Lord Jesus that you will (by the power of your Holy Spirit) take us back to the wombs of our mothers and to the actual point of conception in our mothers' wombs. At this point of conception in the womb, we now bring before you and confess the following sins of our ancestors and we ask for forgiveness of those sins:

1.1 **Idolatry: Sun god and Moon goddess worship: Baal (Molech, Rah, Osiris, Jupiter, Zeus etc.) and Astarte (or Ashtoreth), the Queen of Heaven**

Lord Jesus, we acknowledge that our forefathers worshipped the sun god known as Rah or Osiris (Egypt), Baal (Israel), Molech (Kanaan) or under any other name.

As part of this sun god worship, our ancestors brought their children to sacrifice and often the firstborn babies. Lord Jesus, this must have been an abomination unto you since you have never asked your people to sacrifice their own flesh to you.

The sun god worshippers also undertook rituals whereby they brought worship to the sun god and often curses were spoken over them and their descendants by the Baal priests. These were curses of death and destruction including that they and their descendants will remain captive to Satan in soul and body as well as spiritually. Their descendants (into all eternity) were also dedicated in this way to Satan and the enemy were thereby given an entry point into their lives as well as the lives of their children.

This sun god worship were also often accompanied by rituals and orgies of extreme sexual perversity with humans, with children, with animals and even with demons. Of this, the temple prostitution (that was a known practice amongst those who worshipped Baal and Astarte) were a known practice. As part of some of these rituals, human flesh were consumed and human or animal blood was drunk by our ancestors.

In worship of the moon goddess, similar sacrifices, rituals and covenants with Satan took place than in respect of the sun god.

In more modern times, the sun god and moon goddess was worshipped by our ancestors as part of Freemasonry. In Freemasonry, the sun god is referred to as "*the Great Architect of the Universe*". We therefore include Freemasonry (as well as each and every form thereof) in this prayer, every time that we refer to sun god (and moon goddess worship).

Lord Jesus we now come in your name and by the power of your blood and we ask for forgiveness for these sins of our ancestors and we declare all of these abominations of sun god or moon goddess worship null and void over us and our children and our descendants into all eternity. We ask Lord Jesus that you will wash away with your precious blood all the curses that were spoken over us and our children and we ask that this blood line curse be cancelled out by the power of your blood (in the womb at conception) over myself, my spouse, my children and my descendants into all eternity.

Any covenants that were entered into by my forefathers with the sun god or the moon goddess (under any name) that had the effect that the souls of myself, my spouse and my children (as well as my descendants) were “sold” to Satan, is hereby declared null and void and I hereby cut the spiritual cord of sun god or moon goddess worship that has come through the generational lines in the spirit.

I command, in the name of Jesus Christ, that the spiritual seed of sun god and moon goddess worship (under any name, including Freemasonry) that fell in the soul and body of myself, my spouse and my children, at conception in the womb, will die now!

1.2 Rejection, unhealed trauma, hurt and abuse (the curse of Jezebel and Ahab)

Lord Jesus, we come against any rejection, unhealed trauma, hurt and abuse that occurred in the lives of our ancestors. We confess Lord Jesus and we ask for forgiveness for the fact that our ancestors did not turn to you for inner healing and forgiveness but rather chose to deal with their hurt and pain in their own ways that often only resulted in the fact that the unhealed rejection, hurt, trauma and pain was suppressed in the hope that it would go away. Lord we repent for the unforgiveness, bitterness and hatred of our ancestors and also for the fact that some of them may have blamed you for what may have gone wrong in their lives.

Lord Jesus, we also repent for the fact that this unhealed rejection and hurt caused manipulation, intimidation, control and domination as well as rebellion, pride, stubbornness and perfectionism in some of our ancestors. In others again it caused inferiority, inadequacy and low self-worth as well as rejection, self-rejection and self-hatred. Lord Jesus we sincerely repent and ask for forgiveness of the whole stronghold of Jezebel and Ahab (as we know and understand it) in the lives of our ancestors and we ask you to wash us clean with your blood.

We therefore declare that this bloodline curse of Jezebel and Ahab, caused by unhealed rejection, hurt, trauma and abuse is now cancelled by your blood and we ask Lord Jesus that you will wash us and our children clean from any iniquity or unrighteousness that came through the bloodlines.

We now command any spiritual seed of this bloodline curse of Jezebel and Ahab in ourselves and our children to die now, in the name of Jesus!!

1.3 Religion, tradition and dogma

Lord Jesus, we repent for and ask for forgiveness of any form of religion, tradition and dogma in our ancestors' lives. Lord Jesus, we acknowledge that: *Religion is dead but relationship with you brings life!*

We reject the baby baptism by sprinkling of water as a pagan practice of sun and moon god worship and ask for forgiveness Lord Jesus that we and our ancestors brought our babies to be dedicated to the sun god and the moon goddess by way of this ancient pagan practice.

We declare the blood line curse of religion, tradition and dogma to be null and void over us and our children and command the spiritual seed thereof to die now!

1.4 Witchcraft

We bring the extreme witchcraft of our ancestors before your throne Lord Jesus, whether as part of sun god or moon goddess worship or as part of anything else.

I confess of the extreme witchcraft that my ancestors participated in. This included the partaking in of rituals, sacrifices that were made (especially blood sacrifices but also others), the calling up of spirits, divination, the drinking of blood, eating of human flesh and cutting and self-mutilation. Curses were also spoken over the bloodlines of those that participated in and of those who were sacrificed and covenants were made with Satan and his demons, often of death and destruction that gave the enemy access to our lives as well as the lives of our children.

We hereby cancel the bloodline curse of witchcraft and especially of extreme witchcraft (in the womb at conception) that came into our lives and the lives of our spouses and our children. We also cancel with your blood Lord Jesus (in the womb at conception) any curses that were spoken over us and our children and any covenants with Satan that were made by our ancestors, that bound us, our spouses and our children.

Any covenants that were entered into with Satan by my forefathers that had the effect that the souls of myself, my spouse and my children (as well as my descendants) were sold to Satan, is hereby declared null and void and I hereby cut the spiritual cord of witchcraft that has come through the generational lines.

We ask you Lord Jesus to wash us, our spouses and our children clean with your precious blood of any witchcraft practiced by our ancestors. We also now command any spiritual seed of witchcraft and especially of extreme witchcraft (that came into us in the womb at conception) to die now!

1.5 Sexual immorality and lust

Lord Jesus, we know that the extreme witchcraft that formed part of sun god and moon goddess worship also involved extreme sexual immorality of any and every kind including rape, sodomisation and sexual perversity with humans, animals and even demons. It also often involved incest, molestation and homosexuality etc.

Lord Jesus, we ask you to forgive these sexual atrocities of our ancestors and to wash us and our children clean from any sexual iniquity and unrighteousness with your precious blood.

We hereby declare, in the name of Jesus Christ, that the bloodline curse of sexual immorality, lust and sexual perversity is now being cancelled in the womb at conception by the precious blood of Jesus and we command any spiritual seed of any of these sexual atrocities to die now in both us, our spouses and our children!

1.6 Murder, bloodshed, violence and war

Lord Jesus, we acknowledge that this stronghold of sun god and moon goddess worship also entailed bloodshed and even cold-blooded murder. For one, the babies and others who were sacrificed to Baal and Astarte etc. were slaughtered in cold blood. Athaliah, as well as Queen Jezebel and King Ahab, also murdered several people in cold blood and selfish ambition, including their own family members.

Lord Jesus, we ask for forgiveness for the war, murder, bloodshed and violence that were conducted by our ancestors and we ask that the innocent blood that was shed by them will no longer call out for justice since your blood has paid for that injustice on the cross.

We declare that the bloodline curse of murder, bloodshed, violence and war is now cancelled by the power of the blood of Jesus Christ in the womb at conception.

We command that the seed of murder, bloodshed, violence, war, death and destruction will die now in the name of Jesus!

Lord Jesus, we also specifically ask for forgiveness for all of the abortions that were done by us, our spouses, children and our ancestors (whether by way of wilful termination of pregnancy or by way of contraceptives) whereby innocent children were murdered and sacrificed to Satan, thereby preventing them from having the life that you intended to give to them. We ask that you will wash us and our children clean from this sin and any iniquity and unrighteousness that may be flowing from it.

Lord Jesus Christ, if any of the babies aborted by us (or our ancestors) are demonic soul copies in us, we command them now in love to consolidate to one baby each. We ask you Jesus to now come and heal their brokenness and their sadness and to restore them with your blood and to give them peace. We ask you now Lord Jesus to please take these demonic soul copies of any aborted babies away.

2. FORGIVENESS OF ANCESTORS AND CUTTING OF ALL UNHOLY SOUL TIES

Lord Jesus, I declare that I forgive all of my ancestors that were involved in any of the things confessed and repented for above and I set them completely free (whether they are already deceased or still alive).

I ask you Jesus to plant your cross between me, my spouse and my children and my ancestors who were in sun god or moon goddess worship and who conducted any of these things and I hereby cut in the spirit any unholy soul ties between myself, my spouse and my children and them.

3. FORGIVENESS – THE LIVING, THE DEAD, MYSELF AND GOD

Lord Jesus, I also ask for forgiveness of my own lack of allowing you to heal my hurt and to forgive those who have trespassed against me. Lord Jesus, please help me to forgive and set free the following people who have hurt or rejected me

.....
.....
.....

Lord Jesus, please help me to also forgive myself for the following and to set myself free.....

.....
.....

Lord Jesus, I also now choose to cancel and reject the lie that you have caused bad things to come over me and/or my family and I ask forgiveness from you Jesus that I have consciously or sub-consciously blamed you

.....
.....

4. HEALING OF REJECTION AND HURT

Lord Jesus, if there is any hurt or rejection still rooted somewhere in my soul dimension, I ask you to come and wash me now with your blood and to cleanse me completely from it.....

.....
.....

If there are any hurt inner children in me and/or hurt inner adults, I ask them now to let go of their hurt and trauma, to forgive those who have hurt them and to allow Jesus to wash them with His blood and to restore them back to wholeness.....

Lord Jesus, I ask you to now remove those inner children and/or inner adults in me who have now been healed by your precious blood

5. CONFESSION OF AND REPENTANCE FOR MY OWN SIN

5.1 Character traits of Jezebel

Lord Jesus, I now confess and repent for the following character traits of Jezebel in myself, my family members and especially also my ancestors and ask that you will forgive us and wash us clean with your blood:

Control, manipulation, intimidation, domination, jealousy, perfectionism and performance drivenness, unforgiveness, bitterness, hatred, aggression, pride, rebellion, arrogance, unteachableness, rage, irritation, impatience, etc.

.....

I command the spiritual seed of Jezebel in me, as well as all of her character traits, to die now, in the name of Jesus!

Lord Jesus, please help me, by the power of your blood, to turn completely away from Jezebel and her evil stronghold and to renew my mind by the power of your Holy Spirit.

5.2 Character traits of Ahab

I also confess and repent for the following character traits of Ahab in myself, my family members and especially also my ancestors and I ask that you Jesus will forgive us and wash us clean with your blood:

Passivity, double mindedness, people-pleasing, compromising with evil, fear of conflict, fear of rejection, fear of not being good enough, fear of failure, fear of man, inferiority, inadequacy and low self-worth, self-rejection and self-hatred, lack of authority in Jesus, not knowing who I am in Jesus etc.

.....

I command the spiritual seed of Ahab in me, my spouse and my children, as well as all of his character traits, to die now, in the name of Jesus!

Lord Jesus, please help me, by the power of your blood, to turn completely away from Ahab and his evil stronghold and to renew my mind by the power of your Holy Spirit.

5.3 Character traits of Athaliah

I also confess and repent for the following character traits of Athaliah in myself, my family members and especially also my ancestors and I ask that you Jesus will forgive us and wash us clean with your blood:

Ruthless ambition , cold-heartedness, taking short-cuts to success, using people for my own self-interest, jealousy, lies, murder, violence, bloodshed, witchcraft, divination, sorcery, religion, idolatry, sexual immorality, lust, as well as all the other character traits of Jezebel and Ahab mentioned above etc.

.....

I command the spiritual seed of Athaliah, as well as all of her character traits in me, to die now, in the name of Jesus!

Lord Jesus, please help me, by the power of your blood, to turn completely away from Athaliah and her stronghold and to renew my mind by the power of your Holy Spirit.

6. DELIVERANCE

6.1 Demonic Soul Copies of myself held captive in a spiritual place of darkness (under Satan's reign)

If there are any demonic soul copies of myself, my spouse and/or my children that are being held captive in some dark spiritual place (under the reign of Satan) due to:

- The sun god or moon goddess worship of my ancestors and any rituals that were done and covenants that were made by them with Satan (including as part of Freemasonry) binding the person who made the covenant as well as all his/her descendants;
- Any rituals of extreme witchcraft and covenants made with Satan whereby the whole generational line was tied to Satan and the souls of the descendants "sold" to Satan;
- Any extreme sexual immorality that had the spiritual effect of souls being held captive (also of the descendants) e.g. rape, incest, sodomy, bestiality, sex with demons etc.;
- The shedding of innocent blood e.g. murder, wars, the sacrificing of babies, children and adults to idols, abortion etc.; and
- Extreme rejection, trauma, abuse and/or hurt in the lives of my ancestors that made them enter into any unholy covenants of unforgiveness, bitterness,

suicide, hatred of God, rebellion against God etc. that, through the bloodline curse it created, also has an effect on me, my spouse and my children.

We ask you Jesus to bind the gate keepers to those spiritual places under the reign of Satan and to send your holy warring angels in to free those spiritual captives now by your powerful blood that paid for them to be set free. We cancel any curses that were spoken over them of death and destruction and of eternal captivity to Satan. We speak life into them Lord Jesus and ask you to heal and restore them back to life and wholeness. Jesus, please wash them with your precious blood.

Any transaction made with Satan to “*sell the souls*” of my ancestors that also included their descendants (of which myself, my spouse and my children is a part) is hereby declared null and void over all of these spiritual captives (demonic soul copies).

Lord Jesus, we now ask that you will take away these soul copies that were formed and held captive by the enemy so that they will no longer have any effect on the souls and bodies of myself and also of my spouse and children and also on us spiritually.

6.2 Demonic Soul Copies

Lord Jesus, I now command the demonic soul copies that form part of this stronghold of Athaliah including Athaliah herself, Queen Jezebel and King Ahab, all the Baal priests, the babies that were sacrificed, the temple prostitutes, the DSC's who were in witchcraft when they lived on earth and everybody who was in extreme sexual perversity and immorality when they lived on earth and all the other demonic soul copies underneath them (as mentioned and referred to in this teaching) to consolidate to one copy each.

I command them to stand in the Heavenly Court Room of God the Father and of Jesus Christ and to wait to be judged and sentenced by God the Father.

I ask you Jesus to prepare a spiritual ball of fire right now in me, my spouse and my children.

I command all of the demonic soul copies in this stronghold of Athaliah (and who are under her spiritual authority) to go into this spiritual ball of fire prepared by Jesus, now!

All and any back-ups for any of these demonic soul copies in the stronghold of Athaliah will now also consolidate to one each and will also go into the spiritual ball of fire.

I specifically also command all the demonic soul copies of myself, either as a child or as an adult that were formed by Athaliah (or any other demon or DSC in her stronghold) by way of pure witchcraft and with the intention of keeping me in bondage, to allow Jesus to heal them with the power of His blood. I ask them to forgive all the people who have hurt them and to set them free. I now command them to consolidate to one copy each and to also go into the spiritual ball of fire. This includes any demonic soul copies of myself that are, as yet, unprogrammed and that are even older than what I am at this stage and that are waiting to be employed by the enemy at a future date and time.

I command all of these demonic soul copies that are now already in this spiritual ball of fire (especially Athaliah) to bow before Jesus and to acknowledge that Jesus is the only living God and to withdraw all of their functions and strategies in me and my children. They specifically have to withdraw that they want to kill our spiritual calling in Jesus Christ and want to prevent us from standing up in that calling. I command them to set me, my spouse and my children completely free.

I now ask you Jesus to, by the power of your Holy Spirit, rip the whole spiritual ball of fire together with all of these demonic soul copies (including Athaliah, Queen Jezebel, King Ahab and all the others) out of my soul and body and out of the souls and bodies of my spouse and children.

6.3 Demons

I ask you Jesus to prepare three spiritual balls of fire and I now bind the three head demons in the spiritual stronghold of Athaliah and I command Arbagon (and each demon and demonic soul copy under his authority) as well as Bronkisilis (and each demon and demonic soul copy under his authority) as well as Castoralis (and each demon and demonic soul copy under his authority) to go into each of the three spiritual fire balls.

Each and every demonic soul copy under the authority of either Arbagon, Bronkisilis or Castoralis will consolidate to one copy each and will also go into the spiritual fire balls.

I now command Arbagon, Bronkisilis and Castoralis, corporately and individually, together with everybody underneath them and that are with them in the spiritual balls of fire, to leave my soul and body (as well as the souls and bodies of my spouse and children) now, in the name of Jesus! Jesus, please rip the spiritual balls of fire (all three (3) of them) out, now!

In the name of Jesus Christ, I also now specifically bind and command the demons (evil spirits) of Athaliah, Jezebel, Ahab, Rejection, Self-rejection and Self-hatred, Inadequacy, Inferiority and Low Self-worth, Perfectionism, Unforgiveness, Bitterness and Hatred, Anger and Rage, Witchcraft, Divination,

Sexual immorality, Lust, Sexual confusion, Asmodee, Deception, Confusion and Mind-control, Pride, Rebellion, Stubbornness, Jealousy, Depression, Infirmary, Brokenness, Hopelessness and any other demons that are working with them in this stronghold of Athaliah to leave my soul and body and also the souls and bodies of my spouse and children!

Lastly, I also now bind Lucifer in the name of Jesus and I also bind all of his foot soldiers and demons of lesser authority to him with a spiritual cord. I now command Lucifer and all of his foot soldiers to leave my soul and body (as well as the souls and bodies of my spouse and children) now, in the name of Jesus!

6.4 Spiritual micro-chip and demonic programming

In the name of Jesus, I now command the spiritual micro-chip that contains all the spiritual data and evil programming of this stronghold of Athaliah (as well as of any other strongholds) to be destroyed and to go up in flames. The whole spiritual blue-print of the stronghold of Athaliah and also any other stronghold (contained in the micro-chip) is now declared null and void and is now being destroyed by the blood of Jesus.

Any mind-control programming and any spiritual pins and needles that were used by the enemy to keep this stronghold in tact (whether in my mind, emotions, will or body) is now nullified by the blood of Jesus and all spiritual pins and needles are ripped out and destroyed in the name of Jesus.

7. THANK YOU JESUS!

Father, Jesus and Holy Spirit, we thank you for setting us free from the evil stronghold of Athaliah and for all the deliverance and healing that has taken place. We ask Lord Jesus that you will wash us clean with your blood from this whole stronghold of Athaliah and sun god and moon goddess worship.

We declare Ephesians 3:20 over this prayer namely: *“Now to Him who is able to do exceedingly abundantly above all that we ask or think, according to the power that works in us, to Him be glory in the church by Christ Jesus to all generations, forever and ever. Amen.”*

We also declare Philippians 1:6 over everybody who has prayed this prayer in faith: *“being confident of this very thing, that He who has begun a good work in you will complete it until the day of Jesus Christ.”*

Lord Jesus we ask that you will now seal again this conception of mine in the womb of my mother with your precious blood and we bring to you Jesus Christ, the Lam of God, all the honour and the praise and the glory now and forever.

I ask you Jesus that you will reveal my calling to me and that you will raise me up therein so that I may become a mighty end-time Warrior for you.

Thank you Jesus for setting us free, raising us up and preparing us as your Warriors for the end-time battle.

AMEN!

NB: Please remember that by praying this prayer in faith and honesty you may be assured of the fact that the bloodline curses of Athaliah as well as the curse of Jezebel and Ahab is broken over your life and the lives of your children (that are still under your spiritual authority). However, whether the deliverance part of the prayer actually resulted in the demonic soul copies and demons leaving, is not a given fact. This needs to be tested by individual ministry and you should allow yourself to be led in this regard by the Holy Spirit. If the stronghold was rather strong, it may very well be (and it is actually very likely) that the stronger DSC's and demons remained behind (although their power may be greatly diminished due to the prayer). Do therefore not be deceived in thinking that you are necessarily "clean" of the stronghold of Athaliah, after praying this prayer. Deliverance and inner healing under the guidance of the Holy Spirit is seldom a "quick fix" but often a "process" and our continuous obedience to Jesus and His Precious Holy Spirit is absolutely necessary if we want to gain lasting freedom and victory in Him!!
