There are so many ways, one can create a soul tie. A Major clue is if you have **TRIGGERS**, then you have a soul tie. Please seek the Holy Spirits help! Soul ties are so sidle that it can be overlook. The reason is we have come to believe that soul ties are just part of who we are, or we believe it is part of our personality. An example of a sidle soul tie can be a song. When you hear a certain song, and it takes you back to a memory that you don't even think about or want to think about.

Few years back, I was driving up north with my mom, a song came on the radio, next think I know my mind went to a memory that I didn't want to think about. I am now remarried to someone new, but that song took me to a memory of my late husband. When I got home from my trip, I spend time seeking the Holy Spirit and asking why that memory entered my head. It took about a month or so before the Holy Spirit revealed to me what was going on. It was a soul tie I had with the song. The song connected me to a memory in my past that made me feel good. I had to break the soul tie. After I broke the soul tie, several month later, I heard the same song, but this time I was able to enjoy the song without it taking me to a memory. I was confused that a song that brought good feeling in the past had such a strong hold on me. Praise God for revealing this secret to me.

What is a godly Soul Tie?

When a man and a woman get married, the Bible says that God has joined them together, two become one flesh. Now when this relationship has ended in divorce, then this soul ties becomes ungodly. Especially when one has moved on to other relationships or remarried. At this point, the old relationship needs to be dismantled by breaking the soul tie. Some soul ties are good. established but should never have been made. Ungodly soul ties can even be between parents and children or sibling. Soul ties happen when two people become physically intimate or when parents control children with fear, these soul ties can form over time.

Before breaking Soul Ties:

1. Repent for any sin that is attach to the soul tie
2. Forgive anyone you have wronged or who have wronged you
3. Renounce any covenants made with humans or feelings or emotions (If you have made any spoken commitments, vows or even simply saying, "I will love you forever or I will never be able to love another man or women" these words have sufficient power in the spiritual realm to bind your soul to them. Our tongues are a powerful tool in binding the soul. To renounce words, simply say "I renounce and denounce these words that I have said."
4. Get rid of any gifts or items of past that you are holding on to (it can hold soul ties in place even after you have broken them).

Please understand that you are to declare these things out loud not inwardly. Verbally renouncing is immensely powerful in the spiritual realm. Just as making VOWS hold power in binding your souls, renouncing is powerful in releasing its bond.

Matthew 18:18, NIV: "Truly I tell you, whatever you bind on earth will be bound in heaven, and whatever you loose on earth will be loosed in heaven."
