

Prayer to release offense

Father God, I come in spirit and in truth by faith, in the mighty name of Jesus Christ by the power of His Blood, I ask You to forgive me and I repent for participating with the spirit of, the act of, the repetitive habit and behavior of **OFFENSE**. I declare and decree that the root and seed of **OFFENSE** will go up in flames by the Fire of the Great I AM and the Blood of Jesus Christ. **OFFENSE** is no longer in operation in me, my spouse, children, and family. It is now, null and void. I renounce, denounce, cut off permanently, sever all ties, alliances, allegiances, agreements, covenants, contracts, friendship, fellowship, partnerships, soul ties and vows that I made with **OFFENSE**. Lord Jesus Christ, I now ask You to remove all **OFFENSES** from my spirit and soul dimension, my mind, my DNA, my thoughts, my memory, my 5 senses, and my bloodline going all the way back to the point of conception and back a 1000 generation on both my mother and father's blood line. Cleans me Lord Jesus Christ with Your Blood and fill me with the Holy spirit. Close all gateways with the keys of the Kingdom and seal it off permanently with Your Blood.

Lord Jesus Christ, I ask You to fill them with your Holy Spirit. Pour out heaven's wisdom, understanding, revelation, discernment, and seal it with Your Blood. Give them peace, love, and a sound mind.
